

# AMAZING

This term we were super excited to be awarded with Rock FM's Time to Shine **School of the Year Award!**

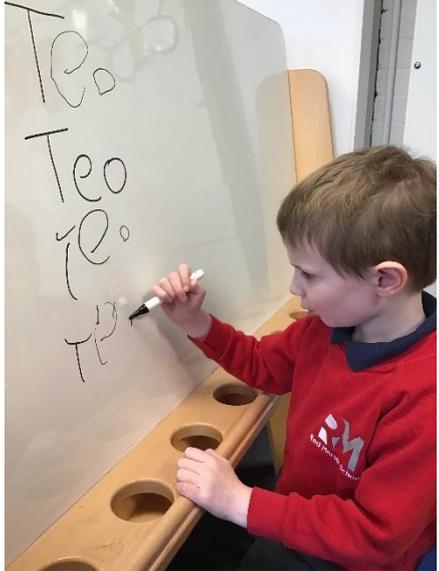

Every day we are proud of the many achievements of all our pupils. Our pupils work hard to achieve their personalised targets delivered through our inclusive, broad balanced and stimulating curriculum.

We hope you enjoy looking at some of the amazing individual and group achievements our pupils have worked so hard to master. We are proud of you all.

Drinking out of a standard cup.

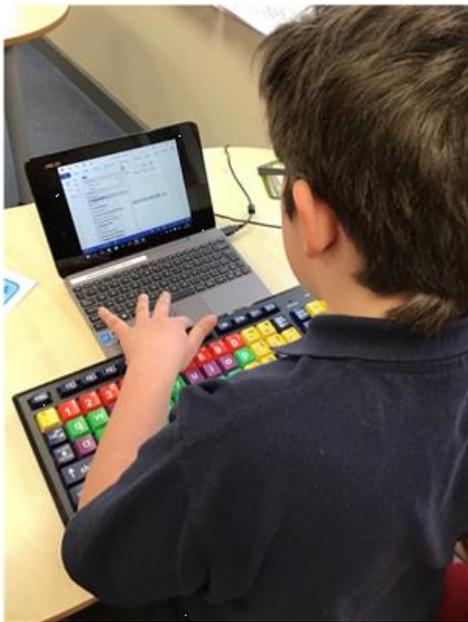

Learning to write my name.

Tolerating wearing an apron for art.

Exploring new toys.

Using a tens frame to solve mathematical problems.

Changing the font, size and colour of typed text.

Designing and making a moon buggy.

Balancing on the agility table.

Following a symbolic shopping list at the super market.

Weighing animals during Small Animal care sessions at Myerscough College.

Developing coordination and balance at Preston College.

This term it has been lovely to see our pupils' amazing achievements celebrated in the community.

Primary pupils took part in a tea dance at the Marine Hall. They performed with confidence on the stage in front of a busy audience.

Senior students performed, at the Grant Theatre, as part of the Royal Shakespeare Company, in a production of 'Much Ado about Nothing'.

Students from Senior Red created and displayed their artwork at Blackpool and Fylde University as part of the 'Young Seaside's Exhibition'.

Pupils in Sixth Form have developed their employability skills over a series of weeks. One of our pupils worked hard during their placement at 'Walkies' a dog walking company.

We were so excited to receive our ROCK FM School of the Year Award!

I hope you have enjoyed reading our Spring 2 newsletter.  
Thank you, as always, for your continued support.  
Enjoy spending time together during our spring break.  
Jenny Slater and the Team.  
School reopens for pupils on Wednesday 20<sup>th</sup> April 2022
