

Being Ambitious

At Red Marsh School we strive to provide fantastic teaching and learning in an environment where our pupils are cared for, valued and respected.

As a 2-19 school our exciting curriculum is split into three **phases of learning**. EYFS, Main School (Primary and Secondary) and Sixth Form. Each phase is split into **Areas of Learning**.

Within each **Area of Learning** there are sequenced knowledge and skills **Units of Work**. The **Units of Work** ensure our curriculum is highly personalised and ambitious for all our pupils.

Using a part-part whole model to add two amounts to find the total.

Building a sentence and saying the sentence to a member of staff.

Spelling CVC words

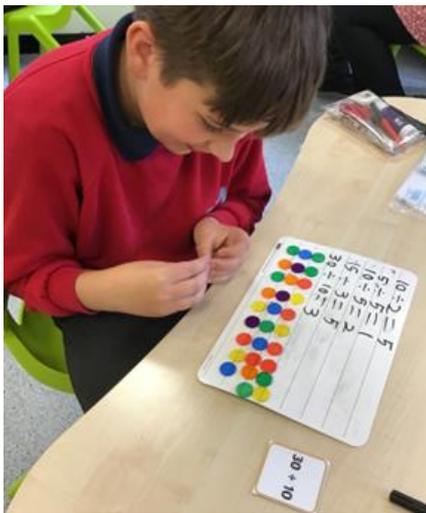

Exploring and manipulating cubes

Exchanging money to buy items at the supermarket

Using counters to solve division problems

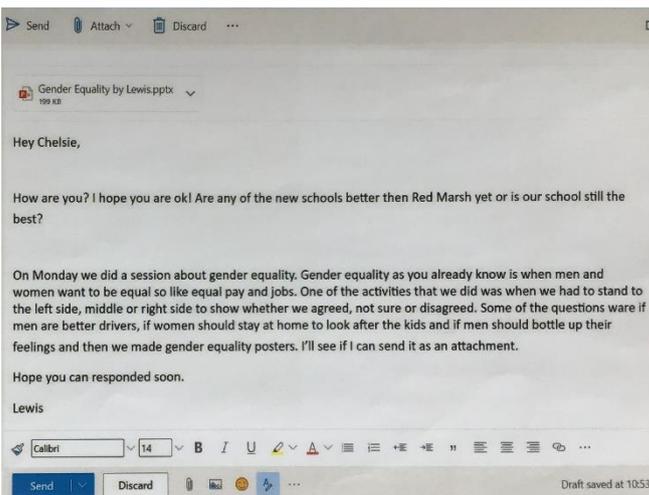

Taking more steps using a walker.

Copying a simple tune on a recorder.

Creating an email account and using paragraphs to write an informal email.

Listening to facts to sort land and sea animals.

Using a golf club to hit a golf ball towards a target.

Developing a pincer grip to transfer money into a till.

Platinum Jubilee Celebrations

We had the best time celebrating the Queen's Platinum Jubilee. In preparation for the celebration, pupils used their art and design skills to create decorations and accessories for the day. Pupils celebrated the special event with a Jubilee parade, street party lunch and a 1950's party.

A huge thank you to all our parents, carers and friends who supported our Summer Fair- we raised a whopping £2000. All money raised will go towards enhancing our outdoor learning environments.

Thank You

I hope you have enjoyed reading our Summer Newsletter. We have had such an exciting half term. Enjoy the half term break. Jenny Slater and the Team

Dates for the Diary:

School Closes
Friday 27th May 2022

School Reopens for Pupils
Monday 6th June 2022

Willow Campus Sports Day
28th June 2022

Holly Campus Sports Day
29th June 2022
