Newsletter Summer 2 2022

CELEBRATE

Thank you to all our fantastic children and students who continually share their successes and amaze us with their wonderful achievements. We hope this newsletter, the last of the year, captures some of the special times we have had this term.

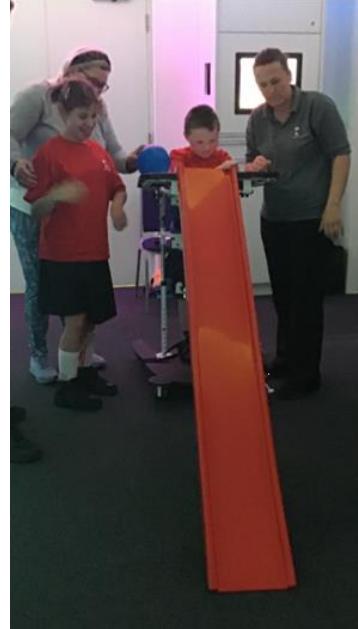

Special congratulations go to our Sixth Form leavers for successfully completing their Bronze Duke of Edinburgh Awards. We are very proud of the knowledge and skills you gained.

Science Week is part of our inclusive enrichment program, helping our pupils to develop their scientific knowledge and skills. What a fantastic week we had.

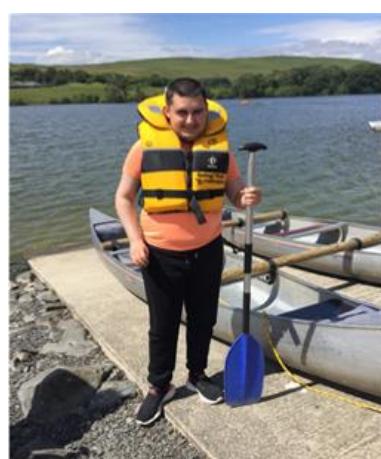

Our Sports Day challenged and enabled all our pupils to display their sporting talents. Well done to everyone for taking part and, as always, doing your very best.

Well done to our Senior and Sixth Form students for their amazing performances of 'A Medley of Musicals'. You were all fantastic!

This term it has been wonderful to see the pupils out and about learning in the community. Senior Red had a fantastic time at the beach collecting litter as part of their learning about the environment. Our Sixth Form leavers showed great resilience completing adventurous activities on their Bendrigg residential.

I hope you have enjoyed reading our final newsletter of the school year. What an exciting year it has been. I am extremely proud of all the pupils and staff at Red Marsh School.

Enjoy spending time together this summer and I really look forward to seeing all the pupils back to school in September.

School reopens for pupils on Friday 2nd September 2022
