Jesus said, "Whoever practises and teaches these commands, will be called great in the kingdom of heaven." Matthew 5:19

Dear parents and carers,

We have really enjoyed the beginning of the year here at Regina Coeli even if it has rained too much! We are delighted to say our new Nursery children have settled in and are enjoying school life. Our sports teams have been successful in their matches and this week our Year 5 pupils gave a wonderful performance on their violins and cellos. Thank you to all the parents who have supported their children in these endeavours—it makes such a difference.

Well done to St Rose class this morning with their beautiful Celebration of the Word. They reminded us, through their retelling of the Parable of the Lost Sheep, that God will always be there for us and he does not give up on us.

I hope you all get to spend some quality time with your friends and family and come back refreshed from the break.

Wishing you a restful weekend and half-term,

Best wishes,

Mrs Christoforou

Jesus said to his disciples, "Do not imagine that I have come to destroy what the Law or the Prophets taught. No, I have come to make them complete – to show you what they meant. I tell you truly, until heaven and earth disappear, not one dot, not one little stroke of a pen, shall disappear from the Law until its purpose is achieved. Anyone who breaks one of the least of these commandments and teaches others to do the same will be called least in the kingdom of heaven, but whoever practises and teaches these commands, will be called great in the kingdom of heaven."

School Opens After Half Term on Monday 23rd February at 8.30am

The theme for Children's Mental Health Week 2026 is 'This is My Place', and the aim is to support the systems around children and young people to help them feel they belong.

Our children drew their own place, where they belong and feel happy. Here are some examples of their wonderful work. More will be displayed in school on our Wellbeing Board.

Please see the details below of a product recall notice in regard to specific batches of Aptamil and Cow & Gate products.

The Food Standards Agency (FSA) is asking parents, early years settings and other caregivers to check their infant formula against specific batches of **Aptamil and Cow & Gate** products listed in the Product Recall Information Notice published on Friday 6 February 2026.

As you might have seen in media coverage and on social media, Danone's recall has been issued due to potential cereulide contamination, which can cause illness including vomiting and stomach cramps. The issue only affects the batches listed in the [recall notice](#), in addition to the product included in Danone's [earlier recall on 23 January 2026](#).

The FSA's advice to parents and carers is that if they have any of the affected products, stop using them and switch to an alternative formula. If formula was prescribed, they should speak to a pharmacist or doctor before changing. If they have recently fed the formula to their baby and are concerned about symptoms, they should contact their GP or call NHS 111.

Additional recalls

This follows recent [recalls from Nestle of SMA infant formula](#) products due to the same contamination issue.

The FSA have published the following:

[Product Recall Information Notice](#) detailing the further recalled batches of Danone infant formula product
our [infant formula recalls page](#) providing a full list of recalled products and the latest advice
