"Prayer is certainly the most wonderful medicine in the world." St Hyacinth

Dear parents and carers,

As we looked toward Sunday and the celebration of Mother's Day this week, the children prepared two beautiful Celebrations of the Word. They reflected on Our Mother Mary and her importance as a role model, particularly during Lent, as she said 'YES' to a very important job. They described how they felt their own mother's love in their lives and how they will give thanks for it over the weekend.

Thank you to our PAF who were in the playgrounds this afternoon providing flowers and cakes– we hope all the mothers have a wonderful day on Sunday and get truly spoilt.

Best wishes, Mrs Christoforou

Dear God, I thank you for this Mothering Sunday. I pray that all children will help their mums feel extra special today. Encourage them to show their mothers their gratitude for all she does. May all families today celebrate the gift of motherhood. Amen.

HEALING

As Jesus went along, he saw a man who had been blind from birth. Jesus spat on the ground, made a paste with the spittle, put this over the eyes of the blind man and said to him, "Go and wash in the Pool of Siloam" (a name that means 'sent'). So the blind man went off and washed himself, and came away with his sight restored. His neighbours and people who earlier had seen him begging said, "Isn't this the man who used to sit and beg?" Some said, "Yes, it is the same one." Others said, "No, he only looks like him." The man himself said, "I am the man." Some of the Pharisees did not believe that Jesus had healed him and they drove him away. Jesus heard about this and when he found the man he said to him, "Do you believe in the Son of Man?" "Sir," the man replied, "tell me who he is so that I may believe in him." Jesus said, "You are looking at him; he is speaking to you." The man said, "Lord, I believe," and he worshipped Jesus.

Dear Parents

You may remember that I wrote to you two weeks ago to invite you to stand as a parent governor on the Local Governing Body of St Elphege's and Regina Coeli Catholic Schools. I am delighted to have received 2 nominations from across our schools. As there is currently 1 parent governor vacancy, we will now need to ballot to elect the new governor. Each parent of a child at our schools has 1 vote to cast, regardless of the number of children they have in our schools.

Voting will close at 10am on Thursday 19th March 2026; unfortunately, votes received after this date and time cannot be counted.

When casting your votes, it is very important that you use the email address the school has on file for you as this will be used to verify eligible responses.

If you would prefer to vote in hardcopy, please speak to the school office who will print the nominee personal statements and provide you with a paper ballot slip.

As always, if you have any questions, please speak with Mrs Christoforou, Mr Hawkes or me and we will be happy to help.

"Where there is Love, there is God"

Dear parents,

On Thursday, Kevin Lawler from CAFOD came to talk to some classes about the work the charity do to support families around the globe who are not as fortunate as ourselves. This marks the launch of our much loved annual 'Big Lent Walk'.

The walk will be taking place on Wednesday 25th March. The children will be walking around our orchard and on the Purley Way field.

This has become a real highlight for the children and teachers as it is an opportunity to enjoy being outside together whilst raising money to help our global family. Each year, we set ourselves a target to beat last year's total so we really need all your encouragement and support.

Our taking part in this national incentive reflects important principles of Catholic Social Teaching. It shows Solidarity as our school community comes together to support others and raise money for a good cause. It also supports Human Dignity, recognising that every person is created in God's image and deserves respect and care. Finally, it reflects the Preferential Option for the Poor, reminding us of our responsibility to give special attention to those who are poor or vulnerable.

On the day, please ensure the children have trainers in school on the day and a suitable coat (or, if there is sunshine like we hope, a sunhat!)

We would really appreciate any sponsorship for the children's efforts, no matter how small. This helps CAFOD to continue the excellent work that they do supporting those most in need.

Our Just Giving link is below; the page is open now for donations. Please share the link with family members who can donate and leave a message of support for the children. If you would rather donate cash, please hand it to the office in a labelled envelope and it will be added to our just giving page.

We thank you in advance for your generous donations.
