"There is nothing on this earth more to be prized than true friendship." St Thomas Aquinas

Dear parents and carers,

It was a very busy week here at Regina Coeli, as our Year 6 students completed their KS2 SATs tests. Thank you to our PAF for providing them with some energy-boosting breakfast snacks. The children have had a fantastic attitude to working in the test situation —with some even saying how much they had enjoyed doing them! We would like to wish our past students, siblings and other members of the Regina Coeli family good luck in their GCSEs and A-Level exams.

We were also very pleased to welcome back Fr. Simplicio d'Souza today for the Feast of the Ascension Mass. He always brings such joy into the school, which was only increased by the children's beautiful singing. It is quite nostalgic to hear 'He has got the Whole World in his Hands', which I am sure many of you remember from your own primary schools days. Now we must all hope and pray for warm and sunny weather next Friday when we welcome you all for our Feast Day Mass.

Have a lovely weekend

Best wishes, Mrs Spain

One day, Jesus prayed to God in front of his friends, the disciples. He raised his eyes to heaven and said, "Father, I have made your name known to those you gave me. They were yours, and you gave them to me, and they have kept your word. They believed that it was you who sent me and now they know that everything you have given me comes from you. I have given them the teaching you gave to me, and they have truly accepted it. I pray for them; for those you have given me, because they belong to you."

Attendance

School attendance is so important for a child to be successful. The school target is 97%.

If your child is unwell, please leave a message on the answer phone or email the office by 8.30am.

Routine medical and dental appointments should be scheduled for **outside the school day.**

Congratulations **St Bridget class, St Rose & St Maria** the week of 4th May.

Values

The After School Club children designed their ideal school dinner. The school cook, Michala, was ver excited to see what the children would like to have and chose the winning menu.

We are pleased to announce that **Raif in year 1 is our winner**. He chose chicken drumsticks, biryani rice and salad with sponge cake for dessert. Delicious! This meal will be provided on **Thursday 21st May**. We encourage all children to have school dinner on this day.

Congratulations to Raif!

"Where there is Love, there is God"

We understand how excited our children are to celebrate their birthdays with their friends, but we would like to request that you no longer provide teachers with cakes and sweets in the classroom. We are a healthy school. We also have a number of children with dietary requirements or allergies that may miss out on what has been offered.

We would therefore ask that as another way to mark the significance of their birthday, the children might choose to donate a new reading book to go in the class library, which they could write a message to the class in and sign. Or they could donate a new game for the wet play box. This is something that the whole class can enjoy!

Thank you in advance for your support.

Breakfast Club and After School Club

Breakfast Club and After School Club MUST be paid in advance before the children attend. If a debt is showing on your ParentPay account, the children will NOT be allowed to attend until the account is in credit.

Thank you

School Opening times

A reminder the school gates open at 08:30 in the morning. School finishes at 3:15 Monday to Thursday and a 2:30 finish on a Friday. It is important that a child arrives promptly as early morning work commences at 8.30am. A child arriving daily at 9.00am would therefore miss 2 1/2 hours per week of learning time per week which soon adds up!

Regina Coeli- Our Lady, Queen of Heaven

Friday 22nd May 2026

We would like to invite you to join our whole school Feast Day celebration Mass here at Regina Coeli school to celebrate Our Mother Mary, Queen of Heaven. It is a wonderful opportunity to celebrate Our Lady and ask her to intercede in our prayers. In order to make this a very special celebration we are asking all families to contribute a small bunch of flowers which will be used to decorate the hall and statue of Mary. We would appreciate these flowers being brought into school on Thursday 21st May and given to the class teachers. If you know of somebody in our community who would benefit from a bunch of flowers please let the office know. The flowers can be collected after the Mass.

The Mass will begin promptly at **10.30am** and be followed shortly after with a celebration picnic. If your child normally has a school dinner they will be provided with a packed lunch so they can take it out onto the field to enjoy the picnic. Parents are warmly invited to bring their own picnic and join their children on the field. Children will go back to class for afternoon registration at 1.00pm and after that parents are welcome to take their children home. If the children are not collected then, school will finish at
