'Where there is Love, there is God'

27th February 2026
Newsletter Number 7
Spring Term

Dear Lord Jesus, thank you for the sacred places where you are worshipped and praised, and for making our homes sacred through your presence among us. Amen.

Dear parents and carers,

As we begin the season of Lent in school the children have been making some excellent reflections on how they can walk with Jesus during this time. They have suggested they will be good listeners, opening their hearts to their teachers, friends and family. They are going to try to be a little bit better each day in Lent so please do encourage them— it could be helping around the house, looking after their siblings or creating new prayers to speak to Jesus during this time.

You could say this prayer at home with your children during Lent too.

"God our Father, help us to see your Son in all people and to treat them as we would wish to be treated ourselves. Help us to listen and live our lives as you ask us to. Amen".

Wishing you a restful weekend and hope the lovely sunshine continues!

Best wishes,

Mrs Christoforou

THE Wednesday
WORD

Good News for Families
TOGETHER TIME

SACRED

Peter, James and John went with Jesus to pray on a mountain top. While they were there, Jesus was transformed. His face shone like the sun and his clothes became as dazzling as the light, whiter than any normal clothing could ever be. Suddenly Moses and Elijah, the great teacher and the great prophet of the Old Testament, appeared and were talking with Jesus. Then a bright cloud covered them with shadow, and from the cloud there came a voice which said, "This is my Son, the Beloved. Listen to him." Then suddenly, when the disciples looked round, they saw only Jesus was left there with them.

Parent Governor Vacancy

The parent governor vacancy is required to be filled by an election. You are invited to stand for election as a parent governor. All eligible parents, regardless of skills and experiences, can stand for election. The local governing body is seeking individuals who can bring life skills and other experience or expertise to support their work. Fostering positive relationships throughout our whole community is integral to all that we do and therefore, part of the parent governor's role will be to support this work. Please see email which was sent out on Wednesday, if you would like a copy of the appendices please collect a copy from the school office.
Thank you

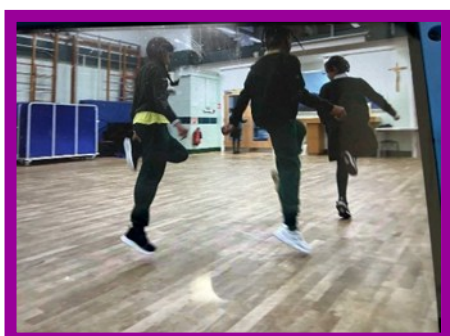

Year 2 Geography

Over the half term, our wonderful Year 2 children created fantastic geography projects about where they and their families are from. This week they had the opportunity to present it to the class; the children spoke with such confidence and enthusiasm! We enjoyed learning about each others cultures, families and celebrating what makes each of us unique.

Congratulations to our Irish Dancing Club!

We would like to congratulate all the children in our Irish Dancing Club for the fantastic effort and enthusiasm they showed last half term. They worked incredibly hard to learn their Beginners Reel and perform it to music.

Please see <https://www.irishdance.co.uk/> if you would like to continue Irish Dancing lessons.
