

Hello from the PAF!

For those who are new to our community, the Parents & Friends Association (PAF) is a small group of volunteer parents and carers who support the school through fundraising for much-needed items and by helping to build a strong, connected parent community.

We will be holding our **Annual General Meeting (AGM) on Thursday 26th March (6:30-7:30pm)** in the school hall. This is our yearly meeting where we'll share an update on fundraising, how money has been spent and discuss plans for the year ahead and confirm committee roles. It's also a chance to share ideas about what you'd like to see from the PAF and to get involved – everyone is welcome and we'd love to see as many parents and carers as possible. Please come along from 6pm onwards for a sharp 6:30pm start.

✿ **Friday 13th March - Mother's Day Flower & Cake Sale** – We'll be selling small bunches of flowers and cakes after school in the playground on Friday 13th with all proceeds going towards the school. Please bring small change if you can and see poster below for more details.

Sarah, Ann-Marie and the PAF committee
