'Where there is Love, there is God'

6th March 2026
Newsletter Number 8
Spring Term

"God's love is a spring of living water which flows constantly into the hearts of those who pray." St Louis de Montfort

Dear parents and carers,

It is an exciting newsletter this week, with all the fun of World Book Day, celebrations of our sporting success and a special message from our Parents and Friends Association (PAF). We would like to invite you to their AGM on Thursday 26th March and we would encourage all parents, particularly those who have recently joined our school community, to come and find out what the PAF does and how you can get involved.

The creativity of our families shone through in the amazing costumes on Thursday—I didn't even recognise some of our children! Reading is the gateway to all learning and it was a wonderful way for children to celebrate the books that they love to read.

I am slightly disappointed that after the brief sunshine and warm weather, we have already returned to rain, but would like to wish you a restful weekend with your families.

Best wishes,

Mrs Spain

GOD'S LOVE

Jesus came to the Samaritan town called Sychar and, tired by the journey, sat straight down at Jacob's well. A Samaritan woman came to draw water. Jesus said to her, "Give me a drink." She was taken by surprise because Jews and Samaritans rarely spoke to each other. She replied, "What? You are a Jew and I am a Samaritan woman. How can you ask me for a drink of water when Jews and Samaritans don't have anything to do with each other?" Jesus replied: "If you only knew what God is offering and who it is that is saying to you: 'Give me a drink,' you would have been the one to ask, and he would have given you living water." "You have no bucket, sir," she answered, "and the well is deep: how could you get this living water?" Jesus replied: "Whoever drinks this water will get thirsty again; but anyone who drinks the water that I shall give will never be thirsty again: the water that I shall give will turn into a spring inside them, welling up to eternal life." "Sir," said the woman, "give me some of that water, so that I may never get thirsty again."

Parent Governor Vacancy

The parent governor vacancy is required to be filled by an election. You are invited to stand for election as a parent governor. All eligible parents, regardless of skills and experiences, can stand for election. The local governing body is seeking individuals who can bring life skills and other experience or expertise to support their work. Fostering positive relationships throughout our whole community is integral to all that we do and therefore, part of the parent governor's role will be to support this work.

Please see email which was sent out on Wednesday, if you would like a copy of the appendices please collect a copy from the school office.

World Book Day
On World Book Day, students participated in a vibrant celebration of literature, arriving at school dressed as their favourite characters from various stories. The day was filled with imagination and stories, that allowed pupils to immerse themselves in the world of books, fostering a love for reading. Throughout the event, children not only celebrated the joy of storytelling but also exercised their agency as writers, sharing mature reflections their creative expressions. This enriching experience underpinned the importance of literature in education and inspired a deeper appreciation for the written word among all our pupils.
