We have only today. Let us begin." Saint Teresa of Calcutta

Dear parents and carers,

Welcome back and Happy New Year to all our families! We hope you enjoyed a restful and joyful break together and that the year ahead brings happiness, good health and exciting opportunities for you and your children.

We started the week with a wonderful Epiphany Mass celebrated by Fr Martin. He reminded the children of their own special gifts and how they can share them with others to make our school and the world a happier place. The Mass was led by our GIFT Team, one of our pupil led groups, who consider how we can serve our community to grow in faith. We were reminded that acts of service can be small– just like the group that sang carols at a local care home– but tremendously rewarding.

Next Monday sees the first of our Nursery age pupils starting the school. It is a very exciting journey for us, as a school, to expand our provision and we look forward to their arrival.

Thank you, as always, for your continued support and partnership — we are excited for the year ahead and all that it will bring for our school community.

Best wishes, Mrs Christoforou

NEW START

Jesus came from Galilee to the Jordan to be baptised by John. John tried to dissuade him. "It is I who need baptism from you," he said, "and yet you come to me!" But Jesus replied, "Leave it like this for the time being; it is fitting that we should, in this way, do all that righteousness demands." At this, John gave in to him. As soon as Jesus was baptised he came up from the water, and suddenly the heavens opened and he saw the Spirit of God descending like a dove and coming down on him. And a voice spoke from heaven, "This is my Son, the Beloved; my favour rests on him."
