## **HOT WEATHER ARRANGEMENTS**

I know many parents and carers are concerned about the extreme weather conditions predicated for Monday and Tuesday next week. The schools will be following advice from the Local Authority health and safety team. I am listing that advice below.

- Pupils to wear cool and loose clothing - e.g. checked dresses, PE kit, shorts and polo/T-shirt.
- Pupils will NOT go out on the playground.
- Fans will be in all classrooms throughout the days.
- Pupils MUST bring water bottles which will be replenished throughout the day.
- Blinds and curtains will be closed if the windows face the sun.
- Pupils should wear sunscreen on their way to school.
- There will be NO PE lessons or strenuous activities.

The school day times will be as usual - so pupils will not be travelling to or from school during the hottest parts of the day 11am - 3pm.

**If further guidance is given to schools the school websites will be updated to reflect that advice.**
