Dear Parents and Carers

Regina Coeli has had a building survey this week under the direction of the Diocese. There are some concerns about the safety of the building - none of these are related to RAAC.

There is work to be done to ensure the safety of pupils and therefore the school will be closed from today Thursday 12th October until the end of half term. These days will be an added week's holiday but will be made up throughout the academic year so the pupils receive their full entitlement of teaching days.

Please do not send your children into school tomorrow and remember the next two weeks will be considered half term.

The pupils will return to school on Monday 30th October. The school will keep you informed throughout this time of any significant matters.

Thank you for your understanding. Please be assured that this decision has been well considered in conjunction with the Diocese and the DfE.

The pupils' and staff safety is paramount and our main concern.

Yours sincerely

Frances Hawkes
