Dear Parents / Carers

In Friday's assembly we will be launching '**Safer Internet Week**' to the children. Throughout next week, the children will be completing daily activities, reading stories and engaging in lessons taught through our RSHE curriculum 'Ten:Ten Resources'.

As they may be spending time on devices at home, it is important that they talk to you about keeping safe online. The Parent Portal available from Ten:Ten Resources provides information regarding what they have learned and supports those discussions. Please click on the link below to access that resource:

Password: garden-fete

The children will be completing the following lessons:

Year Group	Sessions
Reception	What is the internet and Playing online
Years 1 & 2	Real Life Online and Rules to help us
Years 3 & 4	Sharing online and Chatting online
Years 5 & 6	Sharing isn't always caring & Cyberbullying

If you would like further information about what you can do to keep your children safe online, advice is available from the link below:
