Dear Year 3, 4 & 5 Parents/Carers

The past few months have certainly been a challenge. I would like to say thank you for working with us to support the children through this time. It has been wonderful to see the children engaged in the online home learning and we appreciate the time and effort you have all taken to support your children while they were not attending school. We have been very impressed with some of the work that the children have submitted.

As a Federation, we regularly review our planning to ensure that our children have the best opportunities to achieve their potential. We have therefore invested in **Reading & Maths Targeted Question Books** for your children to complete during the summer. These books can be collected from the **School Office Monday 20th July any time between 9am-4pm.**

We would of course like you and the children to take a break and enjoy some well-deserved rest. We would like these books to be completed, if possible, in the last 2 weeks of the holiday to help prepare children for their return to school. The children can then bring the books back in September to give to their new class teacher.

We wish you and your families a restful summer break.

Best Wishes,

The Senior Leadership Team
