At Regina Coeli we have a NUT-FREE Policy.

Please ensure that all lunch box items are NUT– FREE. This also extends to those items brought in for children's mid-morning break.

If by accident you provide your child with a product containing nuts our staff will remove the item and provide a piece of fruit as an alternative. We will contact you to let you know if this happens.

In the Infant classes fruit is provided for the children but you can of course provide an alternative type of fruit if you would prefer.

If your child is in the junior classes, Years 3-6 , they may continue to bring in a piece of fruit to eat at break time or a healthy alternative– no crisps or sweets please. If you are providing grapes as a snack can we ask that they are cut in half.

The NHS Sugar Swaps website has some useful information about providing snacks with less sugar.

Final requests...

Please could you purchase a high quality dictionary and thesaurus for your child to use in school every day.

Link: <https://www.amazon.co.uk/Little-Oxford-Dictionary-Thesaurus/dp/0199534810>

It would also be beneficial if your child is able to bring in a pair of headphones to use during computer lessons, especially for those who use Lexia.

THANK
YOU!
