Mr Osborne's News

Welcome to Issue 642 of the Revoe Reporter- the penultimate week of this academic year!

What an incredibly busy week it has been for RLA! We started the week with our second transition morning, which has given our children the opportunity to spend some time with their new teacher, ahead of the summer holidays.

Year 4 have been on two trips this week, one to UCLAN, where they have been able to take part in a variety of workshops as well as present their own research projects. Today, they have been on a visit to Martin Mere, to look at all the wildlife, learn about habitats, lifecycles etc... Thank you to the Year 4 team for planning the visits and to all of the staff and parent helpers who have accompanied them. We couldn't plan all of these visits without your support.

It has been a busy week for Year 6 too! On Tuesday, they received their SATS results and on Wednesday and Thursday, they completed two performances, showcasing the year- of their hard work, the fun they have had and all of the challenges that they have faced. They did a brilliant job and reminded us all just how far they have come this year and throughout their Revoe journey.

Revoe's Got Talent was a fabulous evening of entertainment and a great success. The children performed brilliantly and I know that the judges found it very difficult to choose. Huge congratulations to our winners, 1RW/LD and Learning Garden 2.

Many year groups have taken advantage of having Revoe Park on our doorstep and our newly acquired, Revoe Garden. Years 4, 5 and 6 have had a fab time visiting, producing nature portraits and completing various other activities.

We will have a daily prize draw next week for attendance- don't forget to be in every day to be in with a chance of winning. Have a fantastic weekend!

RLA Attendance

Thank you to everyone who has arrived at school every day on time this week - you are all amazing!! Remember - we still have another week left of the Summer term and every moment matters!! Please make sure all children continue to come into school, on time, each day.

We are looking forward to celebrating lots of children who have earned the last attendance badge for this year. We will continue to have our usual attendance prize draw each week. Finally, our attendance party will be on Wednesday 16th July for all children who have achieved over 98% attendance this academic year!

It is really important that all children continue to attend school every day until the last day of term. Children are still learning and taking part in activities which will prepare them for when they return to school after the Summer holidays.
