## Mr Osborne's News

Welcome to Issue 646 of the Revoe Reporter!

It's been a busy week in school! The children have been working incredibly hard and taking real pride in their learning. From exploring nouns and verbs in English to using their design and technology skills to solve real-world problems, it's been fantastic to see their creativity and thinking in action.

One way you can support your child's learning at home is by asking them each day: "What did you learn today?" It might seem like a small question but it can make a big difference. Talking about what they've learned helps children remember things better, understand more, and feel proud of their progress. Research shows that when children explain their learning, they're more likely to remember it and feel confident about it.

Even a short chat on the way home or before bed can help your child feel supported and excited about school.

A couple of reminders for next week:

- Please make sure children bring a coat to school. The weather has been wet and unpredictable and we want everyone to stay warm and dry during playtimes.
- Meet the Teacher sessions will take place on Tuesday and Thursday from 3.30 to 4.30pm. This is a great chance to meet your child's teacher, hear about what's happening in class and ask any questions you may have. The same session will be repeated twice just in case you have two teachers that you would like to see. We'd love to see you there!

Thank you for your continued support. Have a lovely weekend, and we look forward to another exciting week ahead.

## Value of the Week

### Pride!

Last week's value: Ambition

In assembly the week, we talked about what this means and how we show pride in school, at home and in ourselves.. Please talk to your child at home about what they are proud of.
