Mr Osborne's News

Welcome to Issue 655 of the Revoe Reporter!

It has been an incredibly busy and exciting week at RLA! Year 3 visited the Pleasure Beach for a fantastic DT workshop all about rollercoasters, and they had a brilliant time sharing their experiences when they returned. They also enjoyed a walk along the promenade, spotting landmarks to support their geography learning this term.

Year 6 took part in an engineering workshop at Showtown, building towers from cocktail sticks and playdough before testing their strength, and explored the museum to learn about Blackpool's fascinating history.

Our football team played against Gateway and won 5-0, securing a place in the finals next week—well done to the boys and thank you to Mr. Coldwell and Mr. Williams for coaching and refereeing.

If you haven't seen the photos yet, Mr. Spann and Mrs Bond have kindly shared them on Facebook.

Trips like these don't happen by accident, so a huge thank you to the Year 3 and Year 6 teams, the office staff, and all the volunteers who made them possible.

We've also started rehearsals for our Christmas productions, so please keep an eye out for ticket information.

Next Friday is our Christmas Fair, which promises to be a fantastic event as always—don't forget to pick up your raffle tickets from the office!

If your child is in Year 6 and they are interested in attending Water Park, please make sure that you have signed up and paid your deposit. Places will be assigned on a first come, first- served basis.

Attendance has improved slightly this week to almost 91%, and we ask that you ensure your child attends every day; we'll look after them and let you know if they're not well enough to stay. Finally, as the weather has turned chilly, please make sure children come to school with coats and jumpers.
