## Mr Osborne's News

Welcome to Issue 661 of our Revoe Reporter!

What a busy week we've had at RLA!

On Monday, PCSO Debby visited our Year 6 children to talk about the dangers of drugs and alcohol and how to stay safe in the community. She linked this to what the children have been learning in their book, Unstoppable. It was a very helpful session and we hope it will support our children in making safe choices.

Unstoppable is delivered by the Blackpool Football Club Community Trust (BFCCT). They also run Fit to Go with Year 4, teaching children how to stay fit and healthy and they provide a coach to teach PE in Year 5. Our partnership with BFCCT is very strong and we really value their support.

This week, the Wonderdome pop-up planetarium also visited school. Children in Years 3 and 5 loved learning about space in such an exciting way, helping them with their science work.

Year 2 had a fantastic trip to 'Bring Yer Wellies', taking part in fun workshops, which finished with a recreation of the Great Fire of London. The children enjoyed every moment. Thank you to all the staff who organised and supported these activities and they really help bring learning to life.

We're also very pleased that more children than ever were able to join in because we had our second best attendance week so far- we were 0.03% off being our best- let's make sure that we get there next week! A huge well done to 5AH, who achieved 100% attendance and 100% punctuality every single day. What an amazing achievement! Please remember to send your children to school every day and on time so they don't miss out on our brilliant activities.

We hope all our families have a lovely, relaxing weekend. We're looking forward to another exciting week at RLA!

## Dates for the Diary

**Saturday 31<sup>st</sup> January - Deadline for ParentPay**

**Balances to be CLEARED**

**Week beginning 2<sup>nd</sup> February - Story Telling Week**

**Week beginning 9<sup>th</sup> February - Children's Mental Health Week**

**Tuesday 10<sup>th</sup> February - Valentine's Disco**

**Thursday 12<sup>th</sup> February - Schools Alive Performance**  
(Winter Gardens)

**Thursday 12<sup>th</sup> February @ 3.15pm - School closes for half term**

## School Meals

All changes from packed lunches to school meals must be processed through the Office and cannot happen informally. Parents are required to complete a written form, available from the Office, to notify us of their intention to change meal arrangements. Notice must be given, and changes will take effect from the following Monday, unless this is agreed otherwise by the Office in exceptional circumstances.

**Please note that any outstanding balances on school meals MUST be cleared by the 31<sup>st</sup> January. If a child is eligible for Free School Meals but there is an outstanding balance which has been accumulated prior to their eligibility, this MUST still be cleared.**

# Learning at RLA!

## Reception

This week, Reception have embarked on an exciting new topic: 'People Who Help Us'. We've had wonderful discussions about the various individuals in our community who lend a helping hand. The children have truly embraced this theme through imaginative role play, pretending to be firefighters, teachers, police officers and vets, all while putting out fires, teaching lessons, catching criminals, and caring for sick pets. In Art, we explored our creativity by making beautiful landscapes using colourful paper that we crafted ourselves. It's been a week full of learning and fun!

## Year 1

In science, Year 1 children have been learning all about their five senses in science. 👁️ 👂 👃 👅 ✋  
This week, the focus was on touch and taste and the children took part in a range of fun, hands-on activities to explore different textures and flavours. They used great descriptive language and showed lots of curiosity as young scientists! Ask us to name the five senses!

## Year 2

Year 2 had an unforgettable day stepping right into history as we travelled back to 1666 to experience what life was like during the Great Fire of London - and what a day it was! We began by exploring just how dirty and smelly London was at the time. The children were fascinated (and slightly horrified!) to learn that people used herbs and plants to mask the unpleasant smells of the city. Lavender, rosemary, mint... all the scents that made life a little more bearable in the crowded streets of London 🌿👃 Then came the moment they had been waiting for — our Great Fire re-enactment! The excitement was sky-high as the children watched how quickly the flames spread from house to house. Seeing the fire leap across the model buildings really brought home how devastating the real event must have been. Gasps, wide eyes, and lots of "WOW!" moments filled the air 🔥 Just like the people of London after the fire, Year 2 rolled up their sleeves and got to work. They built their own dens and shelters, imagining what it must have been like to lose everything and start again. The teamwork, creativity, and determination were incredible to see 🏠👉👈 The children didn't just learn about the Great Fire- they lived it. From smelly streets to roaring flames to rebuilding a city, they immersed themselves in the past with curiosity and enthusiasm. Parents, you would have been so proud of their teamwork, imagination, and brilliant questions throughout the day ❤️

## Year 3

Year 3 scientists were treated to an out of this world experience this week! We were visited by the WonderDome and pupils were treated to a unique experience in a pop-up planetarium where they learned more about our incomprehensible solar system and all of the eight planets in it. The children were amazed and quite excited to hear about upcoming space missions which could mean they would be able to live and work on the moon when they grow up!

# Let's see what our children have been getting up to...

## Year 4

In Year 4, we have been exploring area and perimeter. We have explored different shapes and how we can calculate these. This week, we had a perimeter and area hunt! It is always great to get moving in a lesson!

## Year 5

We have been lucky enough to experience the WonderDome this week! We were fascinated by all the pictures and blown away with the new facts we learnt.

We were able to continue this learning in science and even link it to our writing in English. Some of us are now busy making plans to be one of the first people to live on the Moon inside its future space station.

## Year 6

Year 6 have been diving into the fascinating Victorian era this term. They have explored where the period sits in relation to other key moments in history and considered how it helped shape and develop modern Britain. Learning has been brought to life through hands-on exploration of Victorian artefacts, alongside timelines and discussion, helping pupils deepen their understanding of everyday life and the lasting impact of this influential period.

## Nursery

The Nursery children have been showing their kindness and caring nature to others over the last two weeks. We have had lots of new children starting in our class and the older children have been very caring towards them. They have been helping them to explore the toys and environment, follow our routines, and giving them lots of smiles. We are very proud of them and their welcoming nature.

As a class we are currently learning about Winter and the weather. We will be continuing to talk about the changes in the weather and exploring frost, ice, and if we are very lucky, snow!

Calling on all school Eco Committees. We need your help to persuade more people to try public transport such as trains and buses.

Hand in to your class teacher by Wednesday 4th February

# TRY THE TRAIN- POSTER COMPETITION

-  Create an A4 poster to promote local train and bus travel.
-  Persuade others to use the train.
-  All key stages and Eco committees can enter- no limit to how many per school.
-  Winning entries will be displayed in local stations and public spaces.

Free activities for 8 to 18 year olds

Join us at one of these locations:

- ✧ **NORTH STAND COMMUNITY HUB**  
Bloomfield Road, Seasiders Way, FY1 6JJ
- ✧ **CLAREMONT PARK COMMUNITY HALL**  
Claremont Road, FY1 2QH
- ✧ **MONTGOMERY ACADEMY**  
All Hallows Road, FY2 0AZ
- ✧ **MOOR PARK LEISURE CENTRE**  
Bristol Avenue, FY2 0JG
- ✧ **ASPIRE SPORTS HUB**  
Garstang Road West, FY3 7JH
- ✧ **REVOE PARK**  
Central Drive, FY3 5HZ
- ✧ **STANLEY PARK**  
West Park Drive, FY3 9HU
- ✧ **MERESIDE PRIMARY SCHOOL**  
Langdale Road, FY4 4RR
- ✧ **SOUTH SHORE ACADEMY**

You're invited to...

## PREMIER LEAGUE KICKS

We deliver a number of FREE weekly sessions across Blackpool, between 4pm and 7:30pm. Sessions include open football for everyone, girls-only sessions and football for young people with disabilities.

We also provide opportunities to take part in matches and tournaments, and compete with other Community Trust Premier League Kicks teams from around the country. If you want to get involved just turn up and speak to one of our coaches.

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
