Mr Osborne's News

Welcome to issue 672 of Revoe Reporter! It has been a very busy and exciting week at RLA!

Year 3 have enjoyed a fantastic visit to the Grundy Art Gallery, where they were lucky enough to see an original Monet painting. The children also created their own pieces of abstract art, which will be displayed in the gallery – so why not pop in and have a look at your child's artwork hanging alongside famous artists!

Year 3 also visited the Arc Cinema this week to watch a retelling of *The Magic Faraway Tree*, which they are currently reading in class. Learning Garden 2 joined them for the visit and all of the children had an absolutely brilliant time. Thank you to all of the staff who organised and supported these visits.

Many classes have also visited Revoe Garden this week to complete science lessons linked to their Plants and Animals topics. As well as learning outdoors, the children worked hard to help make the garden a lovely environment for future lessons.

Year 6 have been completing mock SATs tests this week. They have worked incredibly hard and shown great resilience throughout. We are extremely proud of them and all that they have achieved so far.

On Wednesday, it was Earth Day. We celebrated this by having a paperless afternoon in school and by reminding children of the importance of caring for our planet. Thank you to Mrs Heaton for organising this event and raising awareness of how we can all be more mindful of our environmental behaviours.

Later in the week, parking enforcement officers were also in the area, checking that the roads outside school were safe. We would like to remind parents and carers that stopping in the middle of the road or parking illegally can make it unsafe for our children to cross and arrive at school safely. Parking enforcement may be back next week, so please ensure that you park safely, considerately and legally to help keep everyone safe.

Breakfast Club numbers continue to rise and children are really enjoying starting the day with us. They can choose from a range of cereals, drinks, fruit and yoghurts. A healthy breakfast helps children to concentrate, learn and have a positive start to the school day. If you would like your child to attend, the gate opens at 8.15am and closes at 8.30am – please come along and give it a try - and remember, it's FREE! This week has been our best attendance yet – well done everyone! Thank you to all of you who have ensured your child is in school and on time every day.

We have lots more exciting learning planned for next week, including further visits and trips to the garden. Please make sure your child attends school every day so that they don't miss out on our enrichment opportunities or a single minute of learning time.

Thank you for your continued support. Have a lovely weekend.

Dates for the Diary

2026

Wednesday 29th April - Y1 Imagine That Trip

Thursday 7th May - Y5 Grand Theatre Trip

WB: Monday 11th May - KS2 SATS Week (Year 6)
