Mr Osborne's News

Welcome to Issue 680 of the Revoe Reporter! What a fantastic week it has been at school!

A particular highlight this week was our Sports Day. We would like to say a huge thank you to all of our children for their incredible effort, sportsmanship and positive attitude throughout the event. Every child represented our school brilliantly and we could not be prouder. The fantastic support from families also helped to make the day such a success.

Our Year 5 children enjoyed a memorable visit to Samlesbury Hall on Tuesday. Welcomed by Lady Jane Southworth, they explored the fascinating history of the hall, learned about the families who lived there, discovered stories from the Tudor Reformation and uncovered links to the Pendle Witch Trials. The children were completely engrossed throughout the day, especially when learning about Tudor life and even experiencing some of the unusual school punishments of the time! Their behaviour was exemplary, and staff were incredibly proud of the curiosity, respect and enthusiasm they demonstrated throughout the visit.

Yesterday, Year 4 visited UCLan, where they enjoyed an exciting and enriching experience beyond the classroom. Opportunities such as these help to raise aspirations and provide valuable insight into future education pathways, inspiring our children to think about the many possibilities that lie ahead.

We were also delighted to host our Summer Fair yesterday. It was wonderful to see so many families come together to support the school and enjoy the afternoon. Thanks to your generosity and support, we raised an amazing £800!!

This morning, children took part in their Transition Morning, spending time with their new teachers and classes for September. It was lovely to see the excitement and confidence with which they embraced this important step, helping to ensure a smooth and positive start to the new academic year.

Finally, as excitement builds around the football on Monday, we would like to remind families that school will be open as normal. Every day in school matters, and we look forward to welcoming all of our children for another day of learning, fun and achievement.

Thank you, as always, for your continued support. We hope you all have a wonderful weekend. 🌟⚽🏆📚

We are an Eco-School!

We are delighted to share some fantastic news – last week, we received confirmation that Revoe is now officially an Eco-School!

Over the past year, our dedicated Eco Warriors have worked incredibly hard alongside staff and pupils to introduce more environmentally friendly practices across the school.

Their achievements have included introducing recycling bins, organising eco workshops and clothing swaps, planting trees, developing the Revoe garden, and leading eco-themed weeks and educational trips.

Through these initiatives, Revoe has made a positive impact on our local community while taking significant steps to reduce our carbon footprint. The commitment, enthusiasm and teamwork shown by our Eco Warriors have been truly inspiring.

The group has already met to discuss its plans for next year and is excited to build on this success, ensuring that Revoe continues to be an Eco-School for many years to come.

We are incredibly proud of this achievement. Our Green Flag plaque is now proudly displayed in the school office for all to see. A huge well done to all of our Eco Champions across the school for their hard work and dedication! 🌱💚
