Mr Osborne's News

Welcome to Issue 682 of the Revoe Reporter! Well, we made it! Another school year comes to an end, and what a week it has been.

We started the week with our Moving Up Morning, where children spent time in their new classes and met their teachers for September. There was lots of excitement around school and it was lovely to see the children looking ahead to the next stage of their journey with such confidence.

Earlier this week, we also held our Pupil Leader interviews. I was incredibly proud of every child who applied. Standing in front of adults, answering questions and talking about how they can make our school even better takes real courage, and all of the children represented themselves brilliantly.

Yesterday's Attendance Party was definitely one to remember! A huge thank you to our resident DJ, Miss Bennett, who kept the music playing and the children dancing all afternoon. It was a fantastic way to celebrate the children whose excellent attendance has helped them make the most of every opportunity this year. As we always say, every day in school counts, and it was wonderful to recognise that commitment.

Of course, this week has belonged to our incredible Year 6 children.

Their performances of Matilda were absolutely amazing. The confidence, talent and character they showed on stage was incredible, and I know everyone who watched was so proud of them. The hard work that went into learning lines, songs and choreography really paid off.

We then enjoyed a fantastic Year 6 Prom. Seeing the children arrive looking so smart and grown up was a real reminder of just how much they have changed since they first joined us. The smiles, laughter and dancing made for a truly special evening and a wonderful way to celebrate the end of their primary school years.

This morning's Leavers' Assembly was the perfect way to finish their journey with us. There were lots of smiles, plenty of memories shared and, if we're being honest, quite a few tears too! Saying goodbye is never easy, especially to a year group who have played such an important part in our school community. Year 6, we are so proud of you all. Thank you for the memories, the laughter and the example you have set for younger pupils. We know you are more than ready for your next adventure.

Finally, I would like to thank all of our children, families and staff for another fantastic year.

Have a wonderful summer break, stay safe, enjoy making memories with your families and we look forward to welcoming everyone back in September.

Thank you for a brilliant year. ❤️🏡☀️

Please note, from September, dinners will be going up to £2.80 due to us moving providers from Blackpool Council to Lancashire County Council. We encourage parents to apply for Free School Meals if they believe they are eligible.

2025/2026 Highlights

RLA Attendance

Thank you to everyone who has had great attendance this year you are all superstars! We have celebrated lots of attendance achievements this half term, we have handed out lots of badges to children who have achieved over 95% attendance this half term. 6AC have achieved the highest class attendance this year and were rewarded with treats and a film - well done!! Finally, everyone who achieved over 98% attendance for the whole year celebrated in our annual attendance party!

We look forward to celebrating more amazing attendance achievements next year!!
