Mr Osborne's News

Hello everyone and welcome to Issue 686 of our Revoe Reporter.

It has been another fantastic week at Revoe Learning Academy. As we move further into the Autumn Term, it has been wonderful to see our children settled into their routines and fully engaged in their learning. Classrooms across the school are busy, purposeful and positive, with children demonstrating our values every day.

Thank you to our families for your continued support in helping children arrive ready to learn and make the most of every opportunity. As you will be aware, attendance continues to be a real focus for us and we want to ensure all children are attending school as much as possible. Please also remember to take advantage of our FREE BREAKFAST CLUB (FABS), which is open everyday from 8:15am, where children can get breakfast and also take part in different games and activities.

We are also excited to share that work continues on our new Multi-Use Games Area (MUGA). The builders have made progress and it is fantastic to see the project taking shape. We hope that the MUGA will be completed and ready for our children to enjoy within the next couple of weeks. This new facility will provide even more opportunities for sport, physical activity and play throughout the school year.

Today is National Teaching Assistant Day, and we would like to say a huge thank you to all of our teaching assistants and support staff. Their dedication, care and commitment make a tremendous difference to the lives of our children every single day. Whether they are supporting learning in the classroom, helping children overcome barriers or working closely with families, they consistently go above and beyond. We are incredibly fortunate to have such a talented and caring team at Revoe and we sincerely appreciate everything they do.

Wishing you all a wonderful weekend!

NEU WAY SUPPORT

Early support for children, young people and families

As a parent or carer, you know your child better than anyone. If you've noticed changes in how they communicate, learn, interact or experience the world, it's natural to have questions. You may be wondering what those differences mean, where to seek advice or how to find the right support.

Neu Way Support is a service that recognises that every family's journey is unique. For many, the path to understanding their child's needs can feel overwhelming, with long waiting times, a lot of information to navigate and uncertainty about what to do next.

You don't need a diagnosis to access the service. Whether you're at the beginning of your journey, awaiting an assessment, have recently received a diagnosis, or simply need someone to talk things through with, we're here to help.

Our aim is to ensure every family can access trusted advice, practical support and local connections at the earliest opportunity, helping you feel informed, supported and confident about the next steps

Every family's journey is different, but you don't have to navigate it alone. Scan the QR code to find out more

You can access Neu Way Support whether you're:

- Just starting to have questions?
- Waiting for an assessment?
- Recently received a diagnosis?
- Looking for practical advice?
