Mr Osborne's News

It has been another exciting week at Revoe, with children taking part in a wide range of activities both in and out of the classroom. Our Year 1 children enjoyed visits to Showtown and Revoe Park, while some of our Year 6 children took part in the Show Racism the Red Card event at Blackpool Football Club. These experiences help children develop their understanding of the world around them and create lasting memories with their friends.

This week, all children had the opportunity to take part in a Guinness World Records reading challenge, joining thousands of children across the country in a shared celebration of reading. It was wonderful to see so many children enjoying books and being part of such a special event. Today, we also celebrated YoungMinds #HelloYellow Day by wearing or bringing something yellow. The day raises awareness of children's mental health and reminds us of the importance of talking about our feelings, being kind to ourselves and others and asking for help when we need it.

There are plenty more exciting activities planned for next week, including additional trips and special events for our children to enjoy.

Attendance has taken a dip this week, so please help us by ensuring children are in school every day unless they are unwell. Good attendance helps children make the most of all the opportunities and learning experiences we provide.

Please also make sure you park safely when dropping off or collecting your child. We have noticed an increasing number of vehicles stopping in the middle of the road, which is creating an unsafe situation for children, families and other road users. Please park safely and legally before allowing children to get in or out of your vehicle. Thank you for helping us keep everyone safe.

Finally, a huge thank you to all of our staff who have supported the many events, visits and activities this week. These opportunities would not be possible without their hard work, enthusiasm and commitment to providing memorable experiences for our children.

Have a lovely weekend and we look forward to welcoming everyone back to school on Monday.

ROAD SAFETY

for School Drop-Off and Pick-Up

Safety Reminder for Parents and Carers

Please help us keep all children safe during drop-off and collection times.

Children should not be dropped off and sent into school on their own from the car. Parents and carers should ensure children are safely escorted to the school entrance gate where appropriate.

When dropping off or collecting, please park in a designated parking space and avoid stopping or parking in a way that blocks the road, driveways, or access to the school. This helps to keep traffic flowing and ensures the safety of all children, families, and local residents.

Thank you for your cooperation and support in keeping our school community safe.

Winter Wear Drive

DROPOFF POINT

Fylde Kids Foundation are collecting clean, good quality used children's coats, hats, gloves and scarves to help keep local children warm this winter.

If your child has outgrown something or you have items that are no longer being used, you can drop them off with us and we'll make sure they reach Fylde Kids Foundation.
One unwanted coat could make a huge difference to a local child this winter.

Thank you for helping us support such an important local cause.

Fylde Kids Foundation

Winter Wear Drive

As the weather gets colder and coat prices get higher, we know that many families will struggle to replace old, worn and outgrown coats.

We are here to help! Fylde Kids Foundation can supply your child with a new, warm, waterproof coat along with a hat, glove and scarf set. Please simply fill in the Request form on our website and let us know what is needed.

Please note: this scheme is only open to families in genuine need that cannot afford to provide a coat themselves. All coats are plain and unbranded.
