Mr Osborne's News

It has been another busy week at RLA for us all!

On Monday, journalists Luke Beardsworth and Mike Holmes came into school to speak to our Year 5 and 6 children about careers in the media. They also led a journalism workshop, giving the children a real taste of what it might be like to work as a journalist. Opportunities like this are so valuable, as they help our children learn about different careers, meet people from the world of work and think about the possibilities that could be open to them in the future. Thank you Luke and Mike, for giving up your time to work with us.

We have also held two Parents' and Carers' Evenings this week. A huge thank you to everyone who came along to talk to our staff about their child's progress. Positive relationships between home and school make such a difference. When parents, carers and teachers work together, we can celebrate children's successes, tackle any difficulties early and make sure they get the support they need to thrive.

Our staff may also have spoken to you about attendance if your child's attendance is currently below 95%. We want every child to have attendance of at least 95%, as regular attendance gives children the best chance of keeping up with their learning and making good progress. Unfortunately, our whole-school attendance this week has been the lowest it has been since the beginning of term. Every day in school really does matter so please make sure your child attends every day unless they are too unwell to do so.

We also need to mention parking and safety around school. Unfortunately, we have seen some incredibly dangerous parking this week, including cars stopping in the road while adults get out and walk their children to the gate. This puts children, families and other road users at risk. Please park legally and safely before walking to the school gate with your child. Your support with this is very much appreciated, and thank you for helping us to keep all of our children safe.

Finally, school closes today at the end of the school day for the half-term break. Thank you, as always, for your continued support throughout this half term.

We hope all of our children and families have a safe, restful and enjoyable break, ready to return refreshed for what will be one of the busiest terms of the school year!
