Mr Osborne's News

Welcome back to school after a well-earned rest. It has been lovely to see everyone back looking so smart in their uniforms and ready for another busy half term.

On Wednesday, our Year 1 parents were invited into school for a very informative phonics event, and there was a fantastic turnout. A huge thank you to all of the parents who attended and engaged so positively with the session. We hope you found it useful in supporting your child's reading journey at home. Please keep an eye out for other events like this throughout the year. A special thank you also goes to our staff team for all of the hard work that went into making the event such a success.

On Thursday, all children took part in Guy Fawkes and fire safety lessons tailored to their stage of learning. The feedback from pupils has been brilliant. Children really enjoyed the sessions and demonstrated an excellent understanding of how to stay safe around fireworks and bonfires. It is great to see them building on this knowledge each year.

Some classes also visited the library this week, helping to nurture a love of reading and giving children the opportunity to explore a wide range of books. We know these experiences play an important role in developing confident and enthusiastic readers.

You will have noticed that our new MUGA is now complete. This exciting addition provides extra space for children to play, be active and enjoy outdoor activities. Some children have already had the opportunity to use the area and have absolutely loved it. We cannot wait to make even more use of it in the coming weeks.

On Tuesday, we held our Bonfire Discos and the children had a brilliant time. There was lots of dancing, laughter and smiles throughout the evening. Thank you to all of the staff who gave up their time to make the event possible.

Attendance has picked up again this week, which is fantastic to see. Thank you to all families who have ensured their children are in school every day and on time. The children have made a brilliant start to the half term and every day in school really does matter. Learning moves quickly, friendships are built through shared experiences and children do not want to miss out on the exciting opportunities taking place in school. Let's keep up the great work and make this half term our best yet! Have a lovely, restful weekend.

Dates for the Diary 2026

Monday 9th November - Year 5 BYSL Workshop
Tuesday 10th November - Year 3TC Blackpool Pleasure Beach Trip
Wednesday 11th November - Year 3NP Blackpool Pleasure Beach Trip
Thursday 12th November - Year 4 Stanley Park Mapping Trip
Friday 13th November - Children in Need Day
Monday 16th November - Anti Bullying Week

Learning at RLA!

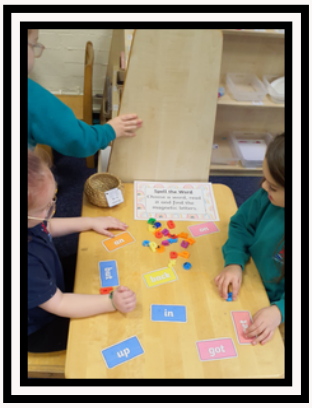

Reception

Reception have returned from the holidays settled, happy, and ready to learn. This week, we have been very busy historians! We explored the Gunpowder Plot and learned about Guy Fawkes and his attempt to blow up the Houses of Parliament many hundreds of years ago. We have also created poppies to commemorate the soldiers who lost their lives in wars, helping us to understand the importance of Remembrance Day.
In Maths, we have been learning about mass and exploring how to use balance scales to compare and measure how heavy or light different objects are. The children have enjoyed investigating and discussing their findings using mathematical vocabulary.

Year 1

This week Year 1 welcomed their parents and carers into RLA for an exciting phonics and reading workshop! Our parents and carers had an interactive session with Miss Dobson, Miss Kelly and Miss Jackson before heading up to our classrooms to work with the children to see how we learn to read in School. We LOVED having our special adults in the classroom learning with us. Look out for another exciting opportunity coming soon... 🙂

Year 2

🍂🎆 What a fantastic start to this new half term! 🎆🍂
We are so proud of how well the children have settled into school this half term. 😊
Over the past few days, the children have enjoyed learning about bonfire safety 🎇, discussing how to stay safe around fireworks and bonfires, and discovering the story of Guy Fawkes and why we celebrate Bonfire Night each year. 🔥📚
A real highlight of last term was our exciting trip to 🎡 Blackpool Tower 🎡 the week before we broke up. The children had an amazing time, and it was lovely to see their excitement, laughter, and enjoyment throughout the day. 😄✨ It was a wonderful experience that created lots of special memories for us all. 💕🌟

Year 3

Year 3 enjoyed their first visit to Revoe Library this half term. We loved exploring everything the library has to offer and were especially excited by the wide range of books available, including lots of new titles and graphic novels. The children were all issued with their own library cards and are already looking forward to borrowing a book on their next visit.
We were delighted to be welcomed by Molly and Lucy, the librarians, who were pleased to see us and showed us around. They encouraged the children to pop in after school with their families and make use of the fantastic facilities on offer. Ask your child to tell you about the books that caught their eye and what they might like to borrow when we visit again.

Let's see what our children have been getting up to...

Year 4

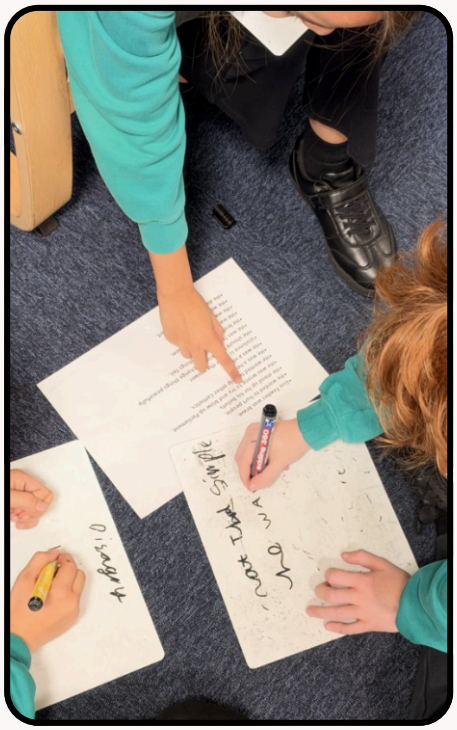

Year 4 have had a fantastic start to our half term. They have really got down to some hard work in writing our non-chronological reports on the Romans and produced some interesting and detailed accounts of Roman life. Our new topic in science is sound and they kicked off their learning by investigating how sound is made. What a noisy lesson we had with the instruments making vibrations in the air. Well done to year 4 on their hard work in learning their times tables. We now have so many children that have gone green in TT Rockstars. This is a fantastic achievement. Keep practising year 4!

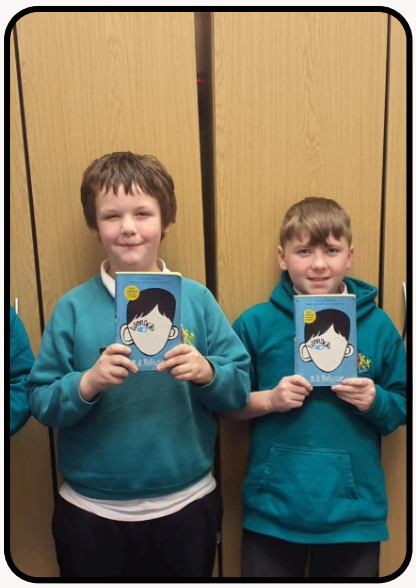

Year 5

Year 5 have been exploring the fascinating story of Guy Fawkes and the Gunpowder Plot. As part of their learning, the children investigated the events of 1605 and considered an important historical question: Was Guy Fawkes a terrorist or a freedom fighter?

Using historical evidence, the children took part in thoughtful debates and discussions, sharing their opinions and listening respectfully to the views of others. They considered different perspectives and used facts to support their arguments, demonstrating excellent critical thinking skills.

The quality of discussion was brilliant, with pupils asking insightful questions and confidently justifying their ideas. It was wonderful to see such enthusiasm for history and a real willingness to explore complex issues from different viewpoints. Well done, Year 5!

Year 6

Year 6 have settled back into school brilliantly after the holidays and have made a fantastic start to the new half term.

We were very excited to reach the end of our class novel, Holes. There was plenty of anticipation as we discovered how the story would end, and the exciting twists and turns certainly kept everyone engaged!

We have now begun our new class novel, Wonder, and are already enjoying making predictions about what might happen in the story. It has been lovely to hear everyone's ideas and see such enthusiasm and curiosity as we begin exploring our new book. Well done, Year 6, for such a positive start back. Keep up the fantastic work!

Learning at RLA!

Learning Garden 1

This week, the children in Learning Garden 1 enjoyed exploring chalk to create their very own firework display pictures. The children experimented with different colours and marks, using chalk to make bright bursts, sparkles and patterns on black paper to represent fireworks lighting up the night sky. This sensory activity encouraged creativity, fine motor development and self-expression. The children loved feeling the texture of the chalk and watching the colours blend together to create beautiful effects. We were so proud of their engagement and enthusiasm as they explored and created their unique Bonfire Night masterpieces. Well done, everyone! 🌟🎇

4EG - 92.3%

4JK - 91.8%

Learning Garden KS2 - 91.7%

5MW - 91.1%

6AC - 91.1%

2OF - 89.3%

RCR - 86.8%

Well done to everyone who has arrived at school on time every day this week- you are all superstars!!

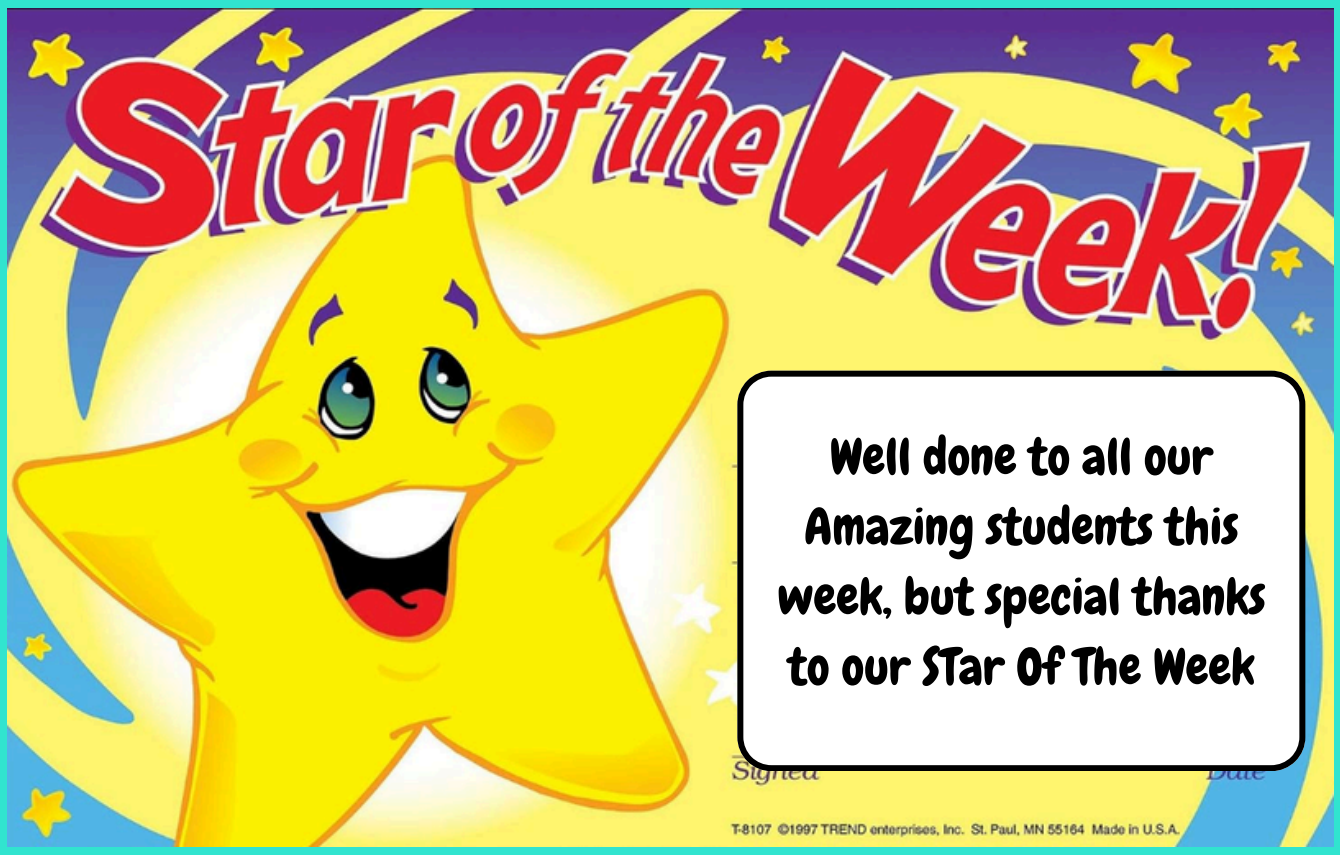

Congratulations to all children who have achieved over 95% attendance for the first half term and have been awarded with the first attendance badge for this year! Please remember to wear your badges with pride. This half term is a fresh start, so if you didn't get a badge for last half term, try again this half term!

Keep your eyes peeled for new and exciting attendance incentives in the run up to Christmas!

Congratulations to LG1 who have had an excellent week and achieved the highest-class attendance at 97.3%. Let's see how many classes can get over 95% attendance for next week - We can do it!

Remember - Moments Matter - Attendance Counts!

FESTIVE EXPRESS 2026

TOY DONATIONS NEEDED

Help us make Christmas extra special for local people by donating a new, good quality used, and unused toy.

WHAT WE'RE LOOKING FOR

- New, good quality used, and unused toys
- Suitable for children and young people (all age ranges)
- Board games, puzzles, crafts, books, sensory items and gifts
- Unwrapped items only
- Non-violent and age-appropriate items only

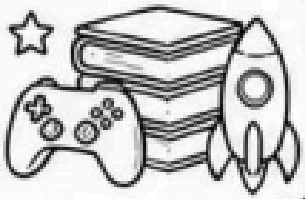

SOME IDEAS INCLUDE

- Toys and games
- Board games and puzzles
- Books and craft sets
- Sensory and fidget items
- Dolls and action figures
- Lego and building sets
- Arts & crafts
- Gifts for all ages

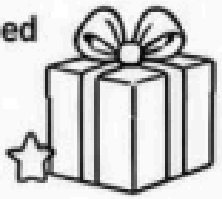

SUITABLE FOR ALL AGES

- Babies and toddlers
- Children
- Teenagers
- Something for everyone!

PLEASE NOTE

- Please donate **unwrapped**
- Non-violent items only
- Age-appropriate items
- Good, clean condition

Please donate to **Community First** on **Abingdon Street, Blackpool**

by Wednesday 2nd DECEMBER

Your generosity helps us bring joy and smiles to local children and families this Christmas.

Thank you!

COMMUNITY FUND

On Friday 13th November 2026, we will be supporting Children in Need and raising money to help make a difference to the lives of children and young people across the UK.

Children in Need provides vital support for children facing challenges such as poverty, illness, disability and mental health difficulties. By taking part in fundraising activities, our pupils learn about kindness, compassion and the importance of helping others.

Every contribution, no matter how small, can help improve a child's life and create brighter opportunities for their future.

Thank you to all our families for your continued generosity and support. Together, we can make a real difference. 💛🐻
