Issue: 537 Date: 26th June, 2020

We come to the end of this extraordinary school year. It is hard not to focus on the impact of the coronavirus for us all, particularly for our children and especially for our Year 6 children who have not had the opportunity to celebrate the end of their primary journey, **YET!** However, we have worked with the children to plan a big Leavers' Celebration in September. We really do hope that every RLA Y6 pupil attends so that we can present hoodies, souvenirs and awards, maintaining our reputation for rewarding and remembering outstanding contributions to RLA life.

This year, we have lots to celebrate as one Revoe family. During our transitions sessions this week, RLA pupils showed their resilience by adapting to a totally different way of school life. For many, this was their first day in school for almost 4 months. We are so proud of their mature attitude. The staff were delighted to welcome a total of 135 children during our transition sessions. For those children unable to attend, we will of course continue our transition with welcoming introductions to the children's new class teams in September.

I know that we will ALL return in September and continue to improve even more, so that every one of our children makes the progress, which they need to make, to achieve their potential.

There will inevitably be changes for September's opening. These will be shared on our social feeds and by text in the last week of August, when we have the most up to date information to base our final plans on.

May I take this opportunity to thank all of our families for their support, co-operation, patience and understanding throughout this year. On behalf of all staff, Governors and Trustees, have a happy, safe and healthy holiday period.

We can't wait to welcome all children back in September! Very best wishes. Dayle Harrison.

Year 6

Year 6 pupils, please spend some time during the holiday to practise your targets from your reports so that you get off to a great start in September. You all deserve to succeed, but you will need to put effort in between now and Year 7 to give yourselves the best possible opportunity to thrive in Year 7 and beyond.

As mentioned in our transition letter, and above, we will be arranging a Y6 Celebration event for you in September; all staff desperately want to see every child there with at least 1 parent or carer.

Further details will be sent out after the summer break.

Sad Goodbye and Warm Welcome

We say goodbye to Mrs Gilheaney and thank her for all of her hard work over the past **TEN** years. We all wish her the very best for her future plans!

On a positive, we welcome 2 new teachers: Miss Murphy and Miss Major; and 4 new teaching assistants: Miss Ryder, Miss Griffin, Mrs Ward and Mrs Hammond who will all join the RLA Team for September 2020. We wish them well for the start of their RLA careers.
