This half term is all about 'Under The Sea'.

If you have any buckets or spades, please could you bring them in to school for our role play area.

If you visit the beach, please could you collect some shells for us!

Benefits of reading aloud to children

Please read to your child every day. Reading for pleasure can benefit a child's education, social and cognitive development, their wellbeing, and their mental health. Reading books aloud to children stimulates their imagination and expands their understanding of the world. Reading also helps children develop vocabulary and listening skills.

Please also keep practising the Read, Write, Inc sounds with your child 😊

Information for parents

Please continue to talk to your child about the importance of hand washing and how to do it correctly.

Please ensure that you are reading with your child **at least three times a week**. Please also ensure that your child brings their book bag and book to school every day.

It is PE day on a **Friday** so please ensure that your child comes to school in their PE kit.

Please practise name writing with your child as often as possible!

This half term, we will be reading the stories:

Burglar Bill

Tiddler

Rainbow Fish

Jack and the Beanstalk

Items needed!
