Friday, 18 June 2021,

Dear Parents and Carers,

Firstly, a huge thank you for supporting a very successful first week back after the holiday; and for your efforts in transforming your children into 'animals'. We have had a fabulous Science Week with Dr Steve and seeing the massive variety of living animals today topped off a great week.

Now, in preparation for September, we have learned from the 'COVID experience'. We want to trial changes to the start and end times, and entrance/exit doors, for some of our children's year groups to continue to protect both their health and safety and that of parents and carers. This also gives us all an opportunity to refine our arrangements and risk measures, in case we are faced with future lockdowns and closures!!

To ensure a smooth transition, it is vital that all children arrive on time and are collected promptly at the end of the session or day. Failure to keep to timings may result in us involving the Pupil Welfare Service. For Nursery children, this means keeping strictly to arrival and collection times because we only have a short period between morning and afternoon sessions to change and clean the Nursery's bubble environment.

Our new routine will start on Monday, 21st June 2021. The times for all year groups are below and to assist, we have provided a map on the reverse of this letter.

Nursery: 8.30am – 11.30am using the Nursery gate and 12.15pm – 3.15pm. Please arrive with and collect your child promptly to support Nursery rooms being cleaned between sessions. Thank you.

Reception: arrive between 8.45am and 8.50am and collect at 3.05pm using the Nursery gate.

Y1: – arrive at 8.45am and collect at 3.05pm using the Grasmere and Lune Grove and Grasmere and Wyre (1LD) gates. Using both gates reduces the number of parents and carers congregating in one part of the playground.

2JP arrive between 8.45am and 8.50 and collect at 3.10pm promptly using the Grasmere and Lune Grove .

2LM and Y3: arrive between 8.45am and 8.50 and collect at 3.10pm promptly using Wyre playground gates.

Y4, Y5 and Y6 arrive between 8.50am and 8.55am and collect at 3.15pm promptly using existing entrance and exits. Please remember that only Year 5 and Year 6 children are able to arrive at school and depart school by themselves if we have received your signed authority to do so.

Learning Garden: arrive between 8.55am and 9.00am and be collected at 3.10pm from Queen Victoria and Lune Grove gates.

Please note that this trial could be subject to change with staff, parent, carer and pupil feedback being used to assess improvements and effective risk measures.

Please can I also remind all families that only children in Year 5 and 6 can arrive by bike. This is because we have limited secure storage on site. Children MUST wear a safe cycle helmet.

Thank you for your continued co-operation in advance.
