FOR PARENTS OF **Y1 CHILDREN** : CLOSE CONTACTS OF COVID 19 at RLA

Dear Parents, Carers and Children,

We will need to remain closed to Year 1 children tomorrow, Tuesday 6th July, 2021 in line with Public Health England advice, pending confirmation of PCR test results.

If confirmation of positive PCR test results are received, the children will then need to self-isolate for a further 6 days. As soon as this is verified updates will be posted on our website and via text.

This means all Y1 children will be able to return to school on Tuesday, 13th July 2021, if they are fit and well.

Other members of your household can continue normal activities provided your child does not develop symptoms within the self-isolation period. If they do develop symptoms they must complete a PCR test and, if positive, continue to isolate for a further 10 days from the onset of symptoms.

Can I plead with you to ensure that self isolating means your child staying at home and not mixing with anyone outside the immediate household. Blackpool is now one of the highest affected COVID areas and we all need to play our part to prevent this virus from spreading further.

You can book a test online or by telephoning 119.

Year 1 children and families: the Year 1 Team will be providing a hard pack of work for you to complete during this period of closure. The staff will also post their teaching videos on Dojo.

If you have another child at RLA in non-closed year groups, we will send the hard pack home with them tonight. For families without a child attending RLA on site, we will deliver hard packs tomorrow to your home address.

Please make sure that you complete as much of the work as is possible. If you have any problems, concerns or need support, please communicate with your child's teacher through Dojo.

Stay safe and healthy.
