

Attendance

Our target for the academic year is 95.7%. Take a look at the graph above to see how your child's class is performing. Congratulations to Class 4 and Class 6 who both achieved 100% attendance the week before half-term.

School Collection

We all have a responsibility to help reduce the spread of Coronavirus. You can help with this by ensuring you maintain the recommended social distance from other people when collecting your child from school. Wearing a mask can also help reduced the spread of the virus. As soon as you have collected your child from school I ask that you leave the immediate area so that children can safely leave the school premises. We have now allowed parents to wait on the Foundation Phase playground but we still have a number of parents who are congregating around the school gate which causes issues for children leaving the premises. Please ensure that the gate is left clear at all times.

PTCs

Unfortunately, due to the Coronavirus restrictions which are in place we are not able to hold Parent Teacher Consultations this year. However, each class teacher has completed a short report regarding your child's progress and these will be sent home with a separate letter tomorrow.

Children in Need

A reminder that Children in Need will take place tomorrow, Friday 13th November. Pupils and staff may wear non-uniform to school in exchange for a donation to the charity. Please send all donations into school in an envelope clearly marked with 'Children in Need 2020'. Pupils will complete activities related to Children in Need in their classrooms.

Reception Admissions

In September 2021, all current Nursery pupils are due to transfer to Reception. In order to secure a place for your child, you will need to complete an application online.
