

Parent Information Sheet – Thursday 14th September 2023

Attendance

Our target for the academic year is **95.7%**. Look at the graph above to see how your child’s class is performing. The average attendance across the school last week was 95.7%, this is line with our school target. Congratulations to Dosbarth 8 who had 100% attendance last week.

Parent Governor

Thank you to everyone who applied to become a parent governor at the school. It was wonderful to see so many people displaying an interest. Following a ballot, I can announce that Mrs L Cunningham and Mrs S Methuen were successful. My congratulations to them both.

Please check with your child that they like the school menu option before they come to school. Recently, there have been a significant number of pupils who have not liked the lunch option.
