

Parent Information Sheet – Thursday 25th January 2024

Attendance

Our target for the academic year is **95.7%**. Look at the graph above to see how your child’s class is performing. The average attendance across the school last week was **93.4%**, this is slightly below our whole school target and a slight decrease on the previous week.

Authorised absences were: **4.90%**

Unauthorised absences were: **1.70%** - Let’s aim to get unauthorised absences to 0% next week. If your child is absent from school, please contact the school office and inform them of the reason.

It is imperative that all absences from school are reported to the school office. This will help to reduce the percentage of unauthorised absences at the school. Failure to report your child’s absence from school could result in a prosecution from the educational welfare officer.

Estyn

You will be aware by now that Estyn are visiting us from Monday 5th to Thursday 8th February.

Parents play a crucial role, as they are able to tell inspectors what the school is really like. I know what lots of parents think about the school because they tell me. Whilst I know that the vast majority of parents recognise just how hard we have all worked to improve our school, it is important they tell the inspection team! You can do this in two ways:

1. As part of the inspection process, parents / carers are asked to complete an online questionnaire. Please share your views in confidence using the link below by 11pm on Sunday 28th January 2024. Please do not click the back button on the web browser once the questionnaire has been completed as this could result in duplicate responses being recorded.

<https://www.smartsurvey.co.uk/s/JR1EWY/>

2. You are invited to meet the inspectors at the school on Monday 5th February. The meeting will take place in the school hall at 3:45pm. Please do all that you can to attend the meeting with the inspection team. I am hopeful that our school hall will be every bit as full as it is for Christmas concerts. What we achieve at the school is only possible through working closely with parents. Children should not attend the meeting but a classroom will be made available should you have any childcare issues.

School Carpark

Please be considerate when parking in the school carpark. The disabled parking bays are reserved for 'blue badge' holders and vehicles should be parked in accordance with this. We have a number of disabled children and adults at the school who require access to these parking bays.

The staff carpark is for staff parking only. No parent vehicles should access this area as this is in breach of our school traffic risk assessment. Please do not access this area.

Maes Y Garn Road

I have been made aware of a number of concerns regarding traffic along Maes Y Garn Road. Parents have been witnessed mounting the kerb on the pavement and performing three point turns in the street. This poses a serious health & safety risk for our children. Please think carefully about where you park your vehicle. I have been informed that the police will be putting additional patrols into the local area to monitor the situation.

The situation has been made more challenging by the road works currently taking place. I can only apologise again that we weren't made aware of these works prior to them taking place. Please be assured that I have raised my concerns with the relevant department at the local authority.
