## Attendance Matters

Our attendance target for the academic year is **95.7%**. Look at the graph above to see how your child’s class is performing. The average attendance across the school last week was **92.2%**, this is below our whole school target but a slight increase on the previous week.

Authorised absences were: **6.7%**

Unauthorised absences were: **1.1%** - All absences **must** be reported to the school office.

It is imperative that all absences from school are reported to the school office. This will help to reduce the percentage of unauthorised absences at the school. Failure to report your child’s absence from school could result in a prosecution from the educational welfare officer.
