

## Parent Information Sheet – Thursday 27<sup>th</sup> September 2018

### Data Collection

Would all parents please ensure that all data collection sheets are returned to school as soon as possible. It is imperative that the school database is kept up to date and that we have the correct details on file.

### Flu Immunisation

Flu immunisation is available free of charge to all pupils from Reception – Year 6 on Wednesday 3<sup>rd</sup> and Thursday 4<sup>th</sup> October. The signed form **must** be returned to school whether you wish your child to have the immunisation or not. Please ensure that this form is returned to school by Monday at the latest. This information will be shared with Wales NHS.

### Food Bank

We are currently in a time of great economic pressure with many families struggling to feed their children. As a community school I feel it is important that we do what we can to help support these families. Located in the school reception is a shopping trolley which I am hopeful of filling with food items. These items will then be donated to the local food bank. If you would like to donate any items to the food bank please send them in to school.

### Pantomime

A reminder that all deposits for the Christmas Pantomime trips need to be sent into the school office by Friday of this week. If your child does not wish to attend the Christmas trip please return the slip so that we are aware. If enough deposits are not received then we may be unable to run the trips.

### Photographs

A reminder that the photographer will be in school on Monday 15<sup>th</sup> October. This is for individual photographs to be taken. As usual, the photographer will be in the large hall from 8:00am to take any family photographs you may require. If you would like photographs of siblings within the school please complete the form below.
