

Parent Information Sheet – Friday 31st March 2023

Attendance

Our target for the academic year is **95.7%**. Look at the graph above to see how your child's class is performing. Our average attendance last week was **94.3%** which is a slight increase on the previous week and below our whole school target of **95.7%**. Congratulations to Class 4 who had the highest attendance last week.

I wrote to a number of parents recently where their child's attendance has fallen below 90%. If you require any support with attendance at school, our family liaison officer, Mr Jeff Hampshire, is available to help and support. He can be contacted via the school office.

PTCs

Thank you to everyone who attended the PTCs this week. It was wonderful to see so many parents discussing teaching and learning with their child's class teacher.

PTA

Your child should have brought home a leaflet regarding their Royal self-portrait to celebrate the upcoming coronation. This has been uploaded to the website www.mychildstart.co.uk/order where you can view and purchase the self-portrait. The leaflet has a unique code and you can view the artwork from Monday 3rd April 2023.
