Attendance Matters

Whole School Attendance Week Ending: 08.05.2026

Our attendance target for the academic year is **95%**. Look at the graph above to see how your child's class is performing. The average attendance across the school last week was **92.7%**. This is slightly below our whole school target and a decrease on the previous week!

Authorised absences were: **4.0%**

Unauthorised absences were: **3.3%** - All absences **must** be reported to the school office.

It is imperative that all absences from school are reported to the school office. This will help to reduce the percentage of unauthorised absences at the school. Failure to report your child's absence from school could result in a prosecution from the educational welfare officer.

School Dinners

Next week, we will be on Week 2 of the menu. Please check with your child that they like the menu option before they come to school.

Artificial Grass

Reception classes are looking for donations of artificial grass to help improve their outdoor learning and play areas. The children use these spaces every day for imaginative play, physical activities, and outdoor learning experiences, and artificial grass would help create a safer, cleaner, and more welcoming environment for all seasons.

If you have any spare artificial grass, offcuts, or unused rolls in good condition that you would be willing to donate, we would be extremely grateful for your support. Every contribution, big or small, can make a real difference to the children's outdoor experiences.

Please contact the school office if you are able to help. Thank you for your kindness and support!

Keeping Safe Online

As part of our ongoing commitment to supporting children's wellbeing and safety, we would like to share some useful information about keeping children safe online.

The internet and digital devices are an important part of children's learning and daily lives, and it is essential that we work together to help them use technology safely, responsibly, and positively.

We have shared guidance and resources which are available for you to access on Hwb. These materials include helpful advice on topics such as online safety, social media, gaming, screen time, and how to support children in making safe choices online.

We encourage all parents and carers to take some time to read through the information and discuss online safety regularly with their children.
