Attendance Matters

Whole School Attendance Week Ending: 01.05.2026

Our attendance target for the academic year is **95%**. Look at the graph above to see how your child's class is performing. The average attendance across the school last week was 94%. This is slightly below our whole school target and a slight decrease on the previous week!

Authorised absences were: **4.6%**

Unauthorised absences were: **1.4%** - All absences **must** be reported to the school office.

It is imperative that all absences from school are reported to the school office. This will help to reduce the percentage of unauthorised absences at the school. Failure to report your child's absence from school could result in a prosecution from the educational welfare officer.

Once again, I am having to write to you all about the parking situation in the visitor's car park. Disabled parking bays should only be used by those people authorised to use them.
