Dear Parent / Guardian,

I would like to take this opportunity to express my sincere thanks to you all for your support this week with the reopening of the school. A great deal of planning went into the process and I am pleased to say that everything has run smoothly and the children have enjoyed being back to some kind of 'normal'. I also need to express my thanks to the incredible team at Rhiw Syr Dafydd who have worked tirelessly to ensure the school was ready for the pupils to return.

It has been wonderful to see so many happy, smiling faces at the school gates in the morning and to be able to speak to the children, even if it is from a distance! All of the children who have attended have been amazing and have quickly adapted to the changes that have been made in school. They are a real credit to you all.

At this time of year we would normally be looking ahead to September and planning for transition. Unfortunately, at the current time we do not know what school or indeed society will look like in September and as I'm sure you can appreciate this is making planning extremely challenging. As soon as we receive information from the Welsh Government I will provide you with an update. I very much hope that we will receive something within the next couple of weeks.

Please continue to stay safe and do not hesitate to contact me should you have any questions regarding this letter.

Yours sincerely,

Mr C George  
Headteacher
