Headteacher: Mr C George

Dear Parent/Guardian

Throughout the academic year, our pupils will be given the opportunity to taste different foods and drinks. These taste testing sessions are in line with the school curriculum and are multi-cultural. Examples of the different foods we taste are:

- |            |              |
|------------|--------------|
| Smoothies  | Dried Fruit  |
| Chinese    | Welsh Cakes  |
| Party Food | Soup         |
| Bread      | Popcorn      |
| Toast      | Marshmallows |

In line with health and safety regulations, we are required to hold written confirmation from a parent/guardian that their child is able to participate in the taste testing. We are unable to take verbal consent for these activities.

To ensure that your child is able to take part, please complete the attached consent form and return it to school as soon as possible.

We will of course advise you closer to the time as to when and what your child will be tasting.

Yours sincerely

Mr C George

.....

I give/do not give permission for my child ..... in class.....to participate in all taste testing activities throughout the 2018/2019 academic year.
