24th August 2020

Dear Children,

I hope that you are all having a lovely summer holiday and you are all rested and raring ready to go next week! Your teachers have been really busy over the summer getting your classrooms ready and making the school look brilliant for you to return. We have all really missed you and can't wait for the school to be full of children again!

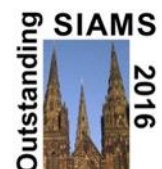

I know that some of you are a little bit nervous about coming back as some things will be different to how they were last year, but your teachers will explain everything to you on the first day and we will all be there to help you and guide you with our new little changes. You will still be with all of the children in your class, doing all of your usual lessons but sometimes in a slightly different way. Please do not worry, school is still school, and still the same safe place, things may just be a little different at times. I know that you will all be there to help and look after each other, as you always do.

These last few months have been very different for all of us but so many positives have come from it. We have all learnt how to do things differently, learnt new things about ourselves, new ways of understanding and new ways of having fun!

Company Registration Number: 9613632
www.tssmat.staffs.sch.uk

However, most importantly we have learnt to value the important things in life, such as time with family and friends, making memories, enjoying the moment and appreciating our health and wellbeing. These are things that we must all try and take with us on our journey in the future.

Richard Crosse News.....

We are very lucky to have two new members of staff joining Richard Crosse this year. Both ladies will be supporting in the classroom and at break and lunchtimes. I know that you will all make them both feel welcome and help to settle their first day nerves with your big smiles and help around the school.

Mrs Cox

Mrs Mycock

A big congratulations to Mr Davies who has become a dad for the second time over the summer holidays to a beautiful baby girl, welcome to the Richard Crosse family Piper Wren.

As you know the way we start and end the day is slightly different to last year. Each class has different start and finish times and different entrances into school.

Your parents have all of this information which they can explain to you.

Year 3 and 4 you are the ones who have a new route into school, I have attached map and some information at the end of this letter to help you.

Finally.....

We are really looking forward to having you all back and can't wait to get back to our new normal school day as soon as possible. It would be lovely if you could design a 'Welcome Back' poster and bring it in on your first day for me to see, I would love to put some nice colourful and inspiring work up in my new office.

Let's make the school year 2020/2021 fantastic! I can't wait to see you all and your beautiful smiles next Tuesday.

Take care,

Ms Bowring
Headteacher

Class 3 Temporary Route into School - September 2020

- If parents and children are crossing Lichfield road they should continue as they currently do, to use the Pelican crossing and enter Crawley Lane.
- Again, as children currently do, cross Crawley Lane onto the school side.
- Children should then follow the path around on the school side of the Lichfield Road onto the car park.
- Cones will be placed across the car park entrance so that cars cannot enter.
- A staff member will wear a high visibility jacket and stand on the corner of Crawley Lane and Lichfield Road.
- A staff member will wear a high visibility jacket and stand on the entrance of the car park.
