Dear Parents/Carers,

The Parish Council are in the process of producing a neighbour plan and would like the views of parents to feed into this, if you could support the village by completing the attached Google form by 24th September 2021 this would be greatly appreciated. The children have already had their say in school and have come up with some great ideas!

Message from the Parish Council:

Thank you for agreeing to help the Parish Council in constructing its neighbourhood plan. The Council has the ambition of trying to hear as many voices from the parish as possible; listening to them and then attempting to synthesise a plan from what is said. There has already been a survey of the parish which focuses on the built environment and transport, but we all understand that quality of life represents so much more. The on-going Covid pandemic has also brought this into stark focus.

We want you to think about people living in a community made up of a mixture of communities that have a variety of interests and ambitions. They may need resources, support by way of facilities, infrastructure and design.

Best wishes,

Ms E Bowring
Headteacher
