24th February 2021

Dear Parent / Carer,

World Book Day 2021 - Thursday 4th March

WE NEED YOU!!!

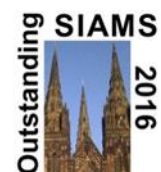

We are calling upon the community of Kings Bromley to help us create a book hunt for World Book Day this year!

It's really simple to do, but the more people in the village that we can involve the better it will be for the children, so please spread the word!

1. On the night of Monday March 2nd please place a child's book in your window facing out so that it can be seen from the street and leave it there until the morning of Friday March 5th.
2. The children will then have from Tuesday to Thursday to go book hunting at a time to suit them. They can take their map out with their parents (or just go for a walk if they prefer) and book hunt! How many books have you spotted? Which books were popular? Which was your favourite?
3. The children can create their own recording sheet or use the one provided (please see below). Similarly with the map (please see additional attachment), if the children have a better way of locating areas in the village then please use it.

The main objective is to have fun, get talking about books and have a bit of exercise! You could even dress up on your village walk!

On Thursday online lessons will be linked to World Book Day, feel free to dress up if you want to but you don't have to!

In the afternoon at 1.30pm there will be a World Book Day quiz (Early Years, Key Stage 1 and Key Stage 2) with your teachers online (your teachers will explain more). Please don't worry if your children have to buddy up together due to lack of computer access, it will just be a bit of fun. This World Book Day special session will be accessible as normal through Google Classroom and you just need to bring your whiteboards and pens! Please note that there will be no other afternoon Google sessions as the quiz will replace the normal online lessons.

Best wishes,

Ms Bowring
Headteacher
