Colours refer to the Liturgical calendar

The meaning of the colours (dates are coloured on the attached calendar)

Green	Used during 'Ordinary time' between the main festivals and seasons. This covers most of the year and can represent growth.
Red	Used to either mark saints' days where it represents their death as a martyr, or to represent the flames of the Holy Spirit (for Pentecost / Whitsun).
White	Represents being pure, in celebrations such as baptisms, weddings, and some funerals. Also used for celebrations either on its own or with gold. It is also used for saints who did not die as martyrs.
Gold	Key celebrations, for example Christmas Day and Easter Sunday. Provision is also made for Gold days to be dressed in White.
Purple	Used for times of preparation and waiting, the reflective seasons. Key times are Advent and Lent.
