

Science Programme – Individual Year Groups

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Autumn 1	Animals- lifecycles	Living things and their habitats	Plants	Living things and their habitats	Living things and their habitats	Living things and their habitats
Autumn 2	Humans- exercise and diet	Super Scientists	Animals and humans- nutrition	Animals- food chains	Animals and Humans- Gestation	Humans- diet and lifestyle
Spring 1	Plants	Exploring everyday materials	Rocks	Humans- digestive system	Humans- lifecycles, stages of puberty	Humans- circulatory system
Spring 2	Everyday materials	Growth and survival	Light	States of matter	Forces	Light
Summer 1	Seasonal Changes	Growing plants	Humans- skeletons	Sound	Properties and changes of materials	Evolution and inheritance
Summer 2	Animals- Habitats and food chains		Forces and magnets	Electricity	Earth and Space	Electricity
