

Maths

In Maths this term we will be partitioning numbers from number 17 - 20. We will then begin to look at fractions and position and direction.

Science

In Science this term we will learn to name the basic parts of a plant, including seeds. We will have the opportunity to plant our own seeds and to make observations of how they grow over time. We will also learn to identify, name and describe a variety of garden and wild plants as well as evergreen and deciduous trees.

English

In Writing this term we will be reading 2 books. We will be reading 'Beegu' and 'Paddington'. We will be building up to writing a retelling a story or parts of a story and a diary entry. We will be practicing using capital letters, full stops,

History

This term we will focus on our Geography skills.

Term 4 - Into the Woods.

Art/DT

In Art this term we are doing an artist study on Vincent Van Gough, we will be looking at his use of colour and brush strokes to create our own Starry night pictures.

RE

In RE we will be learning about Christianity

PE

In PE this term we will playing team games. The children will be able to play a game following a set of rules. We also will receive dance lessons

PSHE

We follow JIGSAW in PSHE. Our topic in term 4 is Healthy Me.

Geography

Into the woods. The children will be exploring features of our local area.

Computing

In computing we will be exploring Data and information.

Music

This term we are working with Miss Grace from the Swindon music service on our singing.
