Term 2 - India

Maths

This term in maths, we will be moving onto looking at subtraction. We will be learning about multiplication and division. We will be learning about cones and cylinders, and comparing 2D and 3D shapes.

Science

This term in science, we are looking at 'Living things and their habitats.' We will be having a visit from Jonathan's Jungle Roadshow at the start of term! We will be learning how we know if things are living, dead or never alive. We will also be looking at different habitats, microhabitats and world habitats. We will be finishing the term by looking at food chains.

English

For our fiction focus this term we will be exploring the text 'The Dragon Machine'. Our focus for this unit will be character description, developing our skills of using expanded noun phrases and conjunctions. Our non-fiction focus this term is letter writing focused on the text 'The Day the Crayons Quit'. In guided reading we will look at the following texts; 'The Day the Crayons Quit', 'The Big Book of Birds' and 'The Robot and the Bluebird'. Our class book this term will be "Tigers'.

Geography

We will be learning all about India this term. The children will learn how to identify India on the world map, and a globe. We will be identifying features and the weather in tropical forests and mangroves. We will also compare a British woodland to an Indian rainforest.

DT

This term in DT, we will bed tasting different foods from India. We will also be making a product, and a food for our Christmas market.

RE

Our enquiry question this term is 'Who is God to Muslims?'

PE

Our focus this term in PE is Developing Balance using both gymnastic apparatus

PSHE

We follow JIGSAW in PSHE. Our focus this term is 'Celebrating Differences.'

Art

This term in art, we will be creating a poppy for Remembrance Day. We will also be looking at patterns - specifically creating our own Rangoli patterns, and drawing

Computing

This term, we will be looking at creating media, specifically digital photography. The children will be learning that different devices can be used to capture photographs; they will be able to capture, edit and improve their own photos; they will also learn to recognise that images they see may not be real.

Music

This term in music we will continue our singing lessons with Miss Grace. They will explore different ways to use their voices as well as exploring different rhythms, pitch and duration
