

## Maths

This term in maths, we will be looking at statistics, with a particular focus on tables, tally charts, pictograms and block diagrams. We will also be looking at capacity, including measuring in litres, millilitres and measuring the temperature. We will also be recapping skills learnt throughout the year.

## Science

In science this term, we will be recapping our knowledge and understanding of everyday materials and plants. While recapping these topics, we will be conducting more experiments.

## English

This term in English, our class text is 'The Owl Tree' written by Jenny Nimmo. Our fiction outcome this term is: a narrative of the story, changing a character's name. Our non-fiction outcome this term is: a persuasive letter to Mr Rock asking him not to cut the owl tree down. The skills we will be recapping are: co-ordinating conjunctions, subordinating conjunctions, question sentences and expanded noun phrases. Some of the new skills we will be learning are based around different Alan Peat sentences: List sentences, similes and 2A sentences. We will also be learning about fronted adverbials, particularly those based on time and place.

## Geography

This term in geography, we are looking at all creatures great and small. We will be exploring different animals native to the 7 continents and 5 oceans of the world. We will be recapping our knowledge on the continents and oceans of the world. We will be naming and classifying the different animals native to the 7 continents and 5 oceans.

# Term 5 - All Creatures Great and Small

## Art/DT

This term in art, we will be looking at nature printing. The children will create their own leaf designs to print and create patterns with. In DT, we will be research, designing and evaluating a birdbox.

## PE

In PE this term, we are going to be looking at movement patterns and we will be creating a jungle/seaside dance.

## PSHE

We follow JIGSAW in PSHE. Our focus this term is 'relationships.'

## Music

In music this term, we will be looking at pattern, with a focus on beat.

## Computing

In computing this term, we will be looking at digital music. We will look at how music makes us think and feel. They will make patterns and use these to make music with percussion instruments and digital tools.

## RE

Does going to a mosque give Muslims a sense of belonging?  
Religion: Islam
