

Term 5 - Our Amazing World - Rainforests

Maths

We will be beginning to look at Multiplication and Division where we will be multiplying and using regrouping to help us. We will then move on to Money, where we will be adding and subtracting amounts. Finally, we will move on to fractions where we will be continuing to learn about unit and non-unit fractions.

Science:

We will be studying Forces

We will be learning about different types of forces and friction. Then we will learn about magnets where we will look at poles and strength.

English

This term in English we will be reading 'The Great Kapok Tree' to help us learn about Rainforests, in Our Amazing world. We will be completing lots of skills writes, where we will write setting descriptions, postcards, posters and diary entries. We will then use this to help us to write our own 'Great Kapok Tree' story and a persuasive leaflet about rainforests.

Art

We will be looking at the Artist Henri Rousseau and we will be practising skills to create and design our own Rainforest picture.

Design and Technology

We will be sewing or own Rainforest parrots.

RE

Do Sikhs think it is important to share?

Values

Our value this term is Curiosity.

Geography

We will be focusing on the Rainforest. We will find out about the climate, the layers, where they are and life in them.

Computing and Online Safety

We will be learning about our school network, how it works and how it helps with our learning.

PE

This term we will be learning the skills needed to play rounders and we will have Swindon Town football sessions.

PSHE

Our topic will be on relationships.

We will look at what healthy relationships look like.

Music

Ukulele lessons with DJ will continue every Tuesday.
