

Year 4 Buzzard Class MTC Information Letter

Date: Friday 12th January 2024

Dear Parents and Carers,

Firstly, I would like to take this opportunity to say that all the children have settled back into school well and are showing good learning attitudes.

You may be aware that children in year 4 are required to sit a Multiplication Times Checker (MTC) test at the start of term 6. This is a government set test and is taken on an online platform. The children do have the opportunity of one practice test before they sit the actual test. Please find attached, a copy of an information leaflet for parents (link to this document https://assets.publishing.service.gov.uk/media/6543c1ef9e05fd0014be7c64/2024_Information_for_parents_Multiplication_tables_check_PDF_A_v1.1.pdf).

To prepare the children for this test, we give them the opportunity to complete online tests that are similar to the MTC test. This enables the children to become familiar with the keyboard and the timings of the test. There are several places where the children can practice as part of their times tables homework (see the list below).

Please don't hesitate to get in touch with me via email (habrown@rodbournecheney.swindon.sch.uk) or the school office if you have any questions or concerns about this test. I am always happy to have a chat or a meeting with you.

Sincerely,

Miss Brown
